Thomas Balinger 150 Children's Songs for Guitar The big collection of children's songs, nursery rhymes and lullabies for guitar. If you like to make music for and with children and you're looking for some songs to play, this is the book for you - and with a 150 songs to choose from, it'll take some time before you run out of songs to play. All songs have been arranged for easy guitar with the beginning to intermediate player in mind. Chord diagrams are included next to each song, so you don't have to look up any chord - you can risk a quick glance even while playing. And if you don't know the melody of a particular song, don't worry: there's a melody TAB for each song to let you play the melody even if you don't read music. In the guitar player's appendix you'll find tips on tuning your guitar plus a selection of strumming and picking patterns for song accompaniment and a handy compendium of basic guitar chords.
