The authors combine their key areas of interest, industrial sociology, occupations, and professions, to present a unified view of the sociology of work. The text's analytical approach to the study of work not only identifies and discusses substantive issues, but also allows students the opportunity to better develop analysis, reasoning, and argumentative skills. Chapter topics are discussed within the framework of the text's key five themes: technology; global perspectives; class relations; gender; and race. The world of work, how it is changing, and the implications of these changes for individuals and families is thoroughly explored in this contemporary and student relevant text.

Passcards provide all the knowledge required for the Management Accounting: Costing unit. Passcards are A6, spiral bound revision aids which students can carry to revise wherever, whenever. Features include: topics presented in the same order as the Course Book, ability to focus on tricky syllabus areas, aid revision by giving clear, visual emphasis to key points, suitable for both paper and computer based exams. Our materials and online equivalents will help ensure you are ready for your assessments and prepared for your career in accounting.
