## **Back Roads France Dk Eyewitness Travel Guide**

Compiled by expert travel writers, each based at least part-time in the country or region he or she writes about, a series of handy guides includes up to 25 driving routes, ideas for activities, off-the-beaten-track stops, authentically local places to eat and stay, full-color photos and a pull-out map for each country or region covered.

An indispensable companion and guide to one of the world's great archaeological sites The three-thousand-year-old rock-cut temples at Abu Simbel and the story of their rescue from the rising waters of Lake Nasser in the 1960s are almost as familiar worldwide as the tale of the gold funerary mask and brief life of the boy king Tutankhamun. Yet although they are among the most celebrated, visited, and photographed archaeological sites in the world, the two temples are among the least understood by the visitor. In this lucidly written, beautifully illustrated guide, Nigel Fletcher-Jones explains the main features of both temples, discusses what they teach us about ancient Egypt during the reign of Rameses II (1265-1200 BC), and illustrates which gods and goddesses were worshipped here. With over 50 new photographs, drawings, and diagrams, and packed with fascinating insights, Abu Simbel: A Short Guide to the Templesis an indispensable companion and souvenir to one of the world's great archaeological sites.

DK Eyewitness Travel Family Guide France: Southwest France, from the groundbreaking family travel series, is written by parents and guarantees the entire family will enjoy their trip to France. ??????? The Borrowers—the Clock family: Homily, Pod, and their fourteen-year-old daughter, Arrietty, to be precise—are tiny people who live underneath the kitchen floor of an old English country manor. All their minuscule home furnishings, from postage stamp paintings to champagne cork chairs, are "borrowed" from the "human beans" who tromp around loudly above them. All is well until Pod is spotted upstairs by a human boy! Can the Clocks stay nested safely in their beloved hidden home, or will they be forced to flee? The British author Mary Norton won the Carnegie Medal for The Borrowers in 1952, the year it was first published in England.

Take to the open road with Back Roads France and discover 24 leisurely drives through the country's beautiful villages and stunning landscapes. The author of the classic and rich French gourmet encyclopedia is hailed by Penguin Publishing as the gourmet adventurer before Anthony Bourdain. The first classic French gourmet legend uses oil to deconstruct French gourmet food. Food Adventure needs someone to lead, a philosopher and a talented foodie guide, so that diners can understand the rarity of the noble dishes that await him during the journey. This is the author, Waverly Root, in this compact and rich French gastronomy book to highlight the focus.
