Deadly Arrangements Wedding bells are ringing and the groom has gone missing in small town Hillside. Hard for a florist to make a living on weddings without the grooms, and even harder for her to stay out of the investigation, when the suspected culprit is the fiancé of her truth-telling older friend and sidekick, K.C. All Quincy wants is success in business, a happy family and the perfect romance with Alex Cooper, the hottest cop in the state. Not necessarily in that order, of course. The trouble is, between Alex's job and everyone else's weddings, it's getting harder and harder for Quincy and Alex to find any time to themselves. Every time the flames of passion ignite between them, someone or something shows up to fizzle the fire, including her meddling mother, her formerly absent father and even Elma, the handsiest waitress in the West. Just when Quincy thinks nothing else could go wrong, a ghost from Alex's past comes back to haunt them both, which could keep them apart forever if someone doesn't kill Quincy first. She stumbles into the clues to solve the case of the missing groom and finds a corpse as well, with the real culprit right on her sensible but stylishly clad heels,

Just when she thought things couldn't get any worse, her boyfriend, hot cop Alex Cooper announces his parents are coming to town. Alex is the perfect man in Quincy's book, unfortunately his mother thinks he's perfect too. And no woman is perfect enough for her perfect son, especially not the weird flower shop girl who works too much, can't cook and who she catches kissing another man in the department store. And what's this she heard about Quincy being married? Eleanor Cooper must help her son dodge a bullet (and not the kind from his job) during the romantic holiday season to prevent him from being ensnared in a regrettable relationship.
