For colleges and universities around the world, John Wiley & Sons is proud to announce Financial Accounting: IFRS Edition, by Jerry J. Weygandt, Paul D. Kimmel, and Donald E. Kieso, which incorporates International Financial Reporting Standards (IFRS) into the existing textbook framework. On almost every page, the book addresses every accounting topic from the perspective of IFRS while still highlighting key differences between IFRS and US GAAP. Following the reputation for accuracy, comprehensiveness, and currency, the authors have painstakingly created a book dedicated to assisting students learning accounting topics under the rules of IFRS. Excerpts from the financial statements of over 80 companies and the complete annual reports of Loblaw Companies Ltd. and Sobeys Inc. give the text a true real-world perspective and provide students with an understanding of the important

elements of financial statements as well as actual accounting output they will use in the future. Chapter-Opening Vignettes show students how key topics of the chapter relate to the real world of business and accounting. The authors refer back to the vignettes, putting ideas back into a familiar context for the student. Chapter Previews, Study Objectives, and Before You Go On, and Review It & Do It sections ensure that students have a solid understanding of the concept being presented in each chapter.

Decision Tools that help business decision-makers use financial statements are featured throughout the chapters. Decision Toolkit boxes summarize the key features of each tool and review why and how it should be used. Business Insight boxes relate the chapter's concepts to actual accounting situations in real business. Demonstration Problems (with worked-out solutions) appear before end-of-chapter material providing students with problem-solving strategies and solutions. An icon next to this feature lets students know that additional Demonstration Problems are found on the Toolkit CD. Self-Study Questions are practice tests keyed to study objectives and allow students to check their knowledge of important topics, with answers appearing at the end of every chapter.

measurement issues, and decision-making perspective -- Jamie Pratt's *Financial Accounting in an Economic Context*, 9th Edition provides a clear understanding of the relevance of principles applied in the real world. Virtually every concept refers to a real company, a real situation, or a real event. Pratt 9e takes an integrative look at accounting and finance by considering the impact of economics, internal controls, international standard, ethics, decision-making, and earnings management. A complete financial picture can be drawn using the tools presented in this text. This text enables MBA and undergraduate students to develop an understanding of the impact that economic events have on business. New elements in the ninth edition sharpen the text's economic decision-making foundation and is available with Quantum's intelligent adaptive learning and assessment software.

Now in its Fourth Edition, Kimmel, Weygandt, and Kieso's Financial Accounting: Tools for Business Decision Making has been tested and approved in the classroom. Whether you measure classroom success by improved grades, students who are better prepared for the Intermediate course and their future careers, or by student evaluations at the end of the semester, Financial Accounting delivers real results. "If you are teaching a debit/credit centered financial accounting principles class there is not a better written or organized text. Believe me I have looked. The supporting materials for instructors [are] also terrific." --Nancy Snow, University of Toledo "The textbook is well written with good examples and homework problems. This book is easy to understand, but is rigorous in its coverage of accounting issues."

--Paul Brazina, La Salle University, Philadelphia "Best presentation of material in the industry. In addition, Financial, Managerial and Intermediate all flow together for greater coverage and comprehension." --Vince Enslein, Clinton Community College
