

George Nicholas And Wilhelm Three Royal Cousins And The Road To World War I

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 27. Chapters: Coronet of George, Prince of Wales, Imperial Crown of India, King George V Coronation Medal, King George V Silver Jubilee Medal, List of descendants of George V, List of Governors-General of King George V, List of Prime Ministers of King George V, Mary of Teck, Royal Family Order of King George V, Statue of George V, Westminster, Trauermusik, Wedding of Prince George, Duke of York, and Princess Mary of Teck. Excerpt: George V (George Frederick Ernest Albert; 3 June 1865 - 20 January 1936) was King of the United Kingdom and the British Dominions, and Emperor of India, from 6 May 1910 through the First World War (1914-1918) until his death. George was a grandson of Queen Victoria and Prince Albert and the first cousin of Tsar Nicholas II of Russia and Kaiser Wilhelm II of Germany. From 1877 to 1891, he served in the Royal Navy. On the death of Victoria in 1901, George's father became King Edward VII, and George was made Prince of Wales. On his father's death in 1910, he succeeded as King-Emperor of the British Empire. He was the only Emperor of India to be present at his own Delhi Durbar. As a result of the First World War, other empires in Europe fell while his expanded to its greatest extent. In 1917, he became the first monarch of the House of Windsor, which he renamed from the House of Saxe-Coburg and Gotha as a result of anti-German public sentiment. His reign saw the rise of socialism, communism, fascism, Irish republicanism, and the Indian independence movement, all of which radically changed the political landscape. The Parliament Act 1911 established the supremacy of the elected British House of Commons over the unelected House of Lords. In 1924 he appointed the first Labour ministry and in 1931 the Statute of Westminster recognised the dominions of the Empire as separate, independent kingdoms within the...

English and simplified Chinese edition of Stuart Little - the EB White classic. In Simplified Chinese. Distributed by Tsai Fong Books, Inc. In the years before World War I, the great European powers were ruled by three first cousins: King George V, Kaiser Wilhelm II, and Tsar Nicholas II. Carter uses the cousins' correspondence and a host of historical sources to tell their tragicomic stories.

Set in the untamed wilds of nineteenth-century colonial India, this dazzling historical thriller introduces Blake and Avery—an unforgettable investigative pair. India, 1837: William Avery is a young soldier with few prospects except rotting away in campaigns in India; Jeremiah Blake is a secret political agent gone native, a genius at languages and disguises, disenchanted with the whole ethos of British rule, but who cannot resist the challenge of an unresolved mystery. What starts as a wild goose chase for this unlikely pair—trying to track down a missing writer who lifts the lid on Calcutta society—becomes very much more sinister as Blake and Avery get sucked into the mysterious Thuggee cult and its even more ominous suppression. There are shades of Heart of Darkness, sly references to Conan Doyle, that bring brilliantly to life the India of the 1830s with its urban squalor, glamorous princely courts and bazaars, and the ambiguous presence of the British overlords—the officers of the East India Company—who have their own predatory ambitions beyond London's oversight. A FINALIST FOR THE EDGAR AWARD FOR BEST NOVEL A WASHINGTON POST NOTABLE BOOK LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION

Kaiser Wilhelm II (1859-1941) is one of the most fascinating figures in European history, ruling Imperial Germany from his accession in 1888 to his enforced abdication in 1918 at the end of the First World War. In one slim volume, John Röhl offers readers a concise and accessible survey of his monumental three-volume biography of the Kaiser and his reign. The book sheds new light on Wilhelm's troubled youth, his involvement in social and political scandals, and his growing thirst for glory, which, combined with his overwhelming nationalism and passion

for the navy provided the impetus for a breathtaking long-term goal: the transformation of the German Reich into one of the foremost powers in the world. The volume examines the crucial role played by Wilhelm as Germany's Supreme War Lord in the policies that led to war in 1914. It concludes by describing the rabid anti-Semitism he developed in exile and his efforts to persuade Hitler to restore him to the throne.

Volume III of ADOLF HITLER: BOLSHEVIK AND ZIONIST is a thorough analysis of the causes, consequences and aims of the First World War. Walther Rathenau described the First World War as a "World Revolution". Jacob Henry Schiff accomplished what Hitler and Napoleon could not. Schiff defeated Russia through revolution and installed his own government to rule the nation. During the war, General Erich Ludendorff promoted the Communist cause around the globe. Ludendorff helped to put both Lenin and Hitler in power. Of the three cousins who instigated the war, Tsar Nicholas II, Kaiser Wilhelm II and King George V, two lost their thrones. The war was a Socialist Revolution that unseated the Monarchies of Continental Europe and enthroned Socialist dictatorships. The war also produced the Balfour Declaration and enabled the British to take Palestine from the Ottoman Empire. Communists and Zionists predicted the world war in the 1800's and welcomed the opportunities it would bring them, which they accurately forecast.

Profiles three royal cousins--George V of England, Kaiser Wilhelm II of Germany, and Tsar Nicholas II of Russia--whose actions shaped the course of twentieth-century history, drawing on hitherto unpublished diaries and letters to examine their personal relationship, their role in the outbreak of World War I, and their impact on the modern monarchy.

between the murdered men and the growing and unpredictable movement demanding the right to vote for all. In the back streets of Drury Lane, among criminals, whores, pornographers, and missionaries, Blake and Avery must race against time to find the culprit before he kills again. But what if the murderer is being protected by some of the highest powers in the land?
