This workbook is the first in a series of two student workbooks that coincide with the 300 level Poiema course. It equips students to identify and develop their identity in Christ as stewards entrusted with unique individual talents. The Apostle Paul notes "we are God's Poiema (his workmanship) created in Christ Jesus to do good works, which he prepared in advance for us to do (Ephesians 2:10). The course gives students the tools to discover, explore and practice their God-given talents. Through the material, students will acquire foundational principles, knowledge, and understanding for further growth; preparing them to steward their talents as reflections of Christ in their circles of influence. What students are saying . . . Before taking this class, I wasn't even sure that that I had talents, much less what they were! But through taking the class, I have had the privilege of learning my talents so I have a better idea of what God has gifted me with, and what His plan is for me. I can only be who God has uniquely created to be, no matter how hard I try, there are things that I will never be good at or understand. That whole concept of breaking myths with the truth has been more than eye opening it was freeing. God has put so much care and purpose in making every person. No two people have been gifted by God in the same way. I have learned that I am special and that God has a purpose for me and made me specifically for that purpose. The one big idea that I have taken from the first part of class was the whole idea of being "okay" with who God made me to be.

Do you know someone struggling with depression, anxiety, fear, rage, relationship difficulties and/or self-destructive behaviors such as alcohol and drug abuse, eating disorders, cutting or even suicidal thoughts? Do you desire to help but don't know how? The Go in Peace Biblical Discipleship Curriculum will give you the answer. This one-of-a-kind curriculum is: * Attention grabbing! It captures the interest of the brokenhearted and pinpoints their need for help. * Compassionate! It offers God's healing touch to all who are struggling, no matter what the issue may be-including such heartbreaking issues as, divorce, abuse, rape and post-abortion. * Effective! It identifies the issues that are driving the self-destructive behaviors. * Practical! It provides tangible, life-changing application of God's Word to bring hope to the hurting. * Conceptual! Concept upon concept builds throughout the curriculum making the biblical truths taught within easy to grasp and apply. * Biblical! One hundred percent based upon the Word of God. * Easy to use! Whether you've discipled for years or have no prior training in how to minister to those in need this curriculum holds the answers. Depression, anxiety, outbursts of anger are just a few of the consequences associated with deep heart hurts. Cherie Fresonke uses the story of the Sinful Woman in Luke chapter 7 as the foundation to help heal the brokenhearted in this powerful, life-changing curriculum. This Bible study teaches practical application of God's Word to help set the captives free. Those learning from the pages within will soon discover their fear replaced with strength, depression with joy, anxiety with faith, and rage with rest. Best yet, they will discover what it means to go in peace! The Go in Peace Biblical Discipleship Curriculum is easy to use. Order the Go in Peace Leader's Manual (ISBN: 978-0983167846) for yourself and order the Go in Peace Student Workbook (ISBN: 978-0983167853) for the person you wish to disciple. Then simply read the text out loud from the Leader's Manual as the one you are discipling follows along in the Student Workbook. Every place the Leader's Manual has a bold/underlined word, the Student Workbook has a blank space. The curriculum was written in this manner to keep the student's attention. By having to fill in the blank the student not only pays attention, but God can speak deeper to his or her heart as the blanks are filled in with thought provoking words. You can also order the book Go in Peace (ISBN: 978-0983167815) which is assigned throughout the curriculum as homework, however the homework is optional and is not necessary to complete the curriculum. But it does reinforces the Biblical concepts which are taught in the curriculum. Here are a few words that some have penned after going through the Go in Peace Biblical Discipleship Curriculum: "Amazing and life changing!" "Easy to understand and apply!" "Awesome resource!" "Great discipleship tool!" "Highly recommended!" "God blessed my life through it!"

"Go in Peace will expose you to yourself!" "I will never be the same again-praises to the Lord!" Note from Cherie about the Go in Peace Leader's Manual Men's Edition: I must say that I was surprised to hear from so many men how this curriculum ministered to them. All I can say is: Praise the Lord! As the original flowery cover portrays I never intended to target men as my readers. But obviously God had greater plans! Since my original intent was never to write to men, the pages within this book remains the same as the original Go in Peace Leader's Manual, only the cover has been changed. As inspiration for the cover, the Lord kept bringing a sentence to mind that He had me write in the curriculum. "Why do we choose to stand in the prison cell when the door is wide open? Accept the gift . . . go in peace." To learn more visit Cherie's website at: www.cheriefresonke.com.

Otto D. Batty received most of his education from parochial schools. His first nine years were at Bethlehem Christian School in Kennewick, Washington, graduated from Concordia College-High School in Portland, Oregon in 1956. He received his A.A. degree from Columbia Basin College in Pasco, Washington in 1969, and B.A. degree in Education from Pacific Lutheran University in Tacoma, Washington in 1976. Otto majored in Social Studies with a strong emphasis in History. In 1961 while in Wyoming, Otto developed a great love for the Scripture. Over the years, he read 23 different translations and paraphrases of the Bible. He even read the Bible backwards from Revelation to Genesis. When asked why, he simply replied, "Just for fun." However, he wouldn't do it again or recommend it, saying "It was chronologically distracting." Otto has taught many Sunday School classes to both teenagers and adults. This work emerged out of those life experiences. The more Otto read the scripture the more he became excited about what he "discovered." It was quite a surprise to him to learn so many believers had never read the whole Bible through once. Filled with a hunger to encourage others to read and find the "gems" he found in the Scripture, in 1985 he wrote and taught this Bible Study with a twist. The emphasis is on "discovering the gems," not theology or doctrine. It is fast paced, fun, and simple. Its primary purpose; to encourage believers to apply Romans 10:17, "faith comes by hearing and hearing by the Word of God."
