The book 24 CBSE Sample Papers – Physics, Chemistry and Biology Class 12 - 2nd Edition has been developed exclusively for Class 12 students so as to bring out their best performance in the final exam. The book contains 24 Sample Papers - 8 each of Physics, Chemistry and Biology. Explanations to all the questions along with stepwise marking has been provided. The 24 Sample Papers have been designed exactly as per the latest Blue Prints issued by CBSE. The books also provide a 24 page Refresher Material for PCB containing Important Formulas & Terms.

Competitive examination preparation takes enormous efforts & time on the part of a student to learn, practice and master each unit of the syllabus. To check proficiency level in each unit, student must take self-assessment to identify his/her weak areas to work upon, that eventually builds confidence to win. Also performance of a student in exam improves significantly if student is familiar with the exact nature, type and difficulty level of the questions being asked in the Exam. With this objective in mind, we are presenting before you this book containing unit tests. Some features of the books are- The complete syllabus is divided into logical units and there is a self- assessment tests for each unit. Tests are prepared by subject experts who have decade of experience to prepare students for competitive exams. Tests are as per the latest pattern of the examination. Detailed explanatory solution of each test paper is also given. Student is advised to attempt these Tests once they complete the preparation/revision of unit. They should attempt these Test in exam like environment in a specified time. Student is advised to properly analyze the solutions and think of alternative methods and linkage to the

Students today have exciting career opportunities, but face stiff challenges to materialize them. Time management is the key to success. Those who manage time efficiently will get rewards; those who fail to do so, will face disappointments. Time management does not mean you need to turn into a workaholic. It means efficiently completing your work without stress; and getting more time for other enjoyable and fruitful pursuits. This is a 'work-book'. It is to be put into practice. It explains simple and effective techniques, and offers practical tips for time management. Topics include, 'efficient methods of studies', 'improving memory', 'speed reading' 'taking notes in class' 'time management during examinations'. But apart from a work-book, it is also a highly motivating book. It explains how the practice of time management will not only help students in the immediate context of their studies and examinations, but will also help and enrich them in later life. The deep but practical insights on time management developed by the author from his long and extraordinarily varied teaching experience are succinctly encapsulated and lucidly explained in this remarkable book. A book that every student must possess and read frequently to ensure success, now and in future.

NEET Exam Chemistry Question Bank: Topic wise and NCERT Based MCQs NEET Chemistry is considered to be the most scoring subject. As it is one of the easiest scoring subjects, it is often ignored and undermined a subject. But if you want to get an edge over others, here is a tip, master NEET Chemistry concepts. Chemistry demands the attention of students in understanding reactions and concrete basic understanding but once done it only gets easier from there. NEET is amongst one the most prestigious medical entrance exams in India. With just a few months left for the examination, it becomes quite challenging for students to cover all the concepts included in the NEET syllabus thoroughly. However, a proper study plan designed as per the latest examination pattern and the syllabus can help students to prepare all the important concepts in shorter time duration. Given below are few useful tips that can assist the students in tackling multiple-choice questions in NEET exam accurately. In most of the multiple choice questions, the options are designed in a very tricky and confusing manner. In most of the cases, all the given options seem to be correct in some aspect. Therefore, the students are advised to read the entire question very carefully. Try to accumulate all the information provided in the question effectively because in some of the cases you can easily evaluate the Answers from the question itself. If you are muddled by the given options, then,

give each option a true and false test. Instead of getting confused, consider all the possibilities and neglect the incorrect options. Hence, in this way, the most appropriate answer could be easily spotted. Topic-wise MCQs for NEET Chemistry · Environmental Chemistry · Organic Chemistry · P Block Elements · States of Matter · Redox Reaction · Chemical Equilibrium · Thermodynamics · Periodic Classification of Elements · s Block Elements · Chemical Bonding Molecular Structure · Structure of Atom · Some Basic Concepts of Chemistry · Hydrocarbons · Some Basic Concepts of Chemistry · Solid State · Structure of Atom · Solutions · Classification of Elements and Periodicity in Properties · Electrochemistry · Chemical Bonding and Molecular Structure · Chemical Kinetics · States of Matter: Gases and Liquids · Surface Chemistry · Thermodynamics · General Principles and Processes of Isolation of Elements · Equilibrium · Redox Reactions · d and f Block Elements · Hydrogen · Coordination Compounds · Haloalkanes and Haloarenes · Some p-Block Elements · Alcohols, Phenols and Ethers · Organic Chemistry- Some Basic Principles and Techniques · Aldehyde, Ketones and Carboxylic Acids · Hydrocarbons · Organic Compounds Containing Nitrogen · Environmental Chemistry · Biomolecules, Polymers and Chemistry in Everyday Life Use a step-wise approach to solve conceptual and complex questions. Several times Matching type Questions are asked where the students are required to find the mismatched or the correctly matched option. Some of the questions asked in the NEET exam are entirely memory-based; therefore, the students are advised to memorize the common names, scientific names, concepts and important definitions. Around 40% of the questions asked in the NEET exam are application-based. Therefore, students need to focus more on the concepts along with its applications in order to score well in the examination. Chemistry topics broadly can be grouped into – Organic,

Inorganic and Physical chemistry. Organic Chemistry is a vast section and holds the maximum weightage. Its concepts and principles are important. One needs to be conversant with properties of groups, conversions, recognizing organic compounds etc. Interlinking between different chapters from organic chemistry can be of great help. The students must primarily focus on reading NCERT textbooks. Several times the questions asked in NEET exam are taken directly from the NCERT textbooks. Initially avoid answering those questions for which you are not confident because your wrong answer may reduce your final score. In order to utilize your time appropriately, divide the three hours of examination time as per your comfort among Physics, Chemistry, and Biology. Initially, focus on attempting all easy questions and later on pick the difficult ones. By this way, your confidence will be elevated and you will also get more time to answer hard questions. Practice previous years' question papers/mock tests and sample papers to get an idea on how to answer MCQ questions efficiently. Preparing at an early stage is what an MCQ exam requires. Avoid guesswork for negative marking questions as they might lower your final score. These tips can be very helpful for students to answer difficult and brain teaser questions. Prior preparations and practice are mandatory aspects of any examination. Hence, to crack highly competitive examination like NEET, it is mandatory for students to prepare well and acquire the skills to tackle multiple choice questions effectively. Rather than just following mere guesswork, the aspirants can focus on the tips discussed to tackle Multiple Choice Questions in NEET in the right manner.

onwards. In the new scheme of examination, CCE and term system has been replaced with the Internal Assessment & Single Annual Exam by CBSE itself. Single exam conducted by CBSE will carry 80 marks whereas 20 marks are left to the schools for internal assessment. CBSE has issued detailed guidelines on how the internal marks will be divided among different activities. From 2019 onwards, there will be internal choices in board examinations with increased internal options in the question paper. Considering this change, now a student has to prepare accordingly for board examinations. The new assessment format brought with it excitement as well as anxiety. And to help them prepare and excel in their CBSE board examination, Career Point Kota has developed a series of 10 Most Likely Question Papers with Solutions. The Key Features of Most Likely Question Papers with Solutions Series : New OBJECTIVE TYPE question in each paper. Syllabus of CBSE 2019-20. Based on the latest CBSE Syllabus & Pattern.
