The new edition continues to discuss basic concepts of international business in a comprehensive manner. It provides a lucid treatment of the theory and practice of global business in the Indian context. Flourished with case-lets drawn from contemporary businesses, it will acquaint the students with the fundamentals of global business. The book has been updated with recent examples like new chapters on Institutional support to IB, FDI initiatives.

This book features a dynamic portrayal of international business that makes the subject lively, topical, and enjoyable. It includes examples of companies from around the world, and provides readers with an unbiased, global perspective on business. Clear, straightforward explanations and informative illustrations make this book accessible to all learners. A six-part organization covers an overview of international business, national business environments, international trade and investment, the international financial system, international strategy and market analysis, and international business management. For anyone who wants to understand the people, culture, geography, and politics of international business.

Includes Part 1, Number 1 & 2: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - December)

As organizations are competing globally in this new millennium, the effective deployment and exploitation of IT will create the difference between those that are successful and those that are not. What lessons are there to be learned from organizations that run global IT operations and deploy IT in support of their global business operations? Cases on Global IT Applications and Management: Successes and Pitfalls brings together original cases that report on these aspects of global IT applications and management and benefits educators, researchers and practitioners alike.

Business has been increasingly becoming global in its scope, orientation and strategic intent. This book by a renowned author provides a comprehensive yet concise exposition of the salient features, trends and intricacies of international business. The subject matter is presented in a lucid and succinct style so that even those who do not have a prerequisite knowledge of the subject can easily understand it. The text is enriched and made more interesting by a number of illustrative diagrams, tables and boxes. Another significant feature is the profuse references to Indian contexts and examples. Obsolete materials have been deleted and new ones are added at many places. The sixth edition of the book is characterised by updating of information throughout, besides significant modifications and recasting of most of the chapters. The text is supplemented with five new cases. The book is primarily intended for the undergraduate and postgraduate students of management and commerce. Besides, it will also prove useful for the postgraduate students of economics. Visit
