Initiating new fans into the world of Knicks lore or reminding die-hard supporters why this New York NBA team is always their number one, this entertaining resource distills 66 years of team history into the top 100 things to know and do--encouraging Knicks fans to live each day like it's a playoff run. Most Knicks fans have experienced a game in Madison Square Garden, have seen highlights of a young Patrick Ewing, or have heard the story behind the franchise's last championship in 1973; but the next level of fan commitment means knowing the history and meaning of Knickerbockers, and which other team--along with the Knicks--from the original National Basketball Association is still located in its original city. Such details are offered in this book, the ultimate handbook to knowing and loving the New York Knicks. The compilation breaks down all of the stats, important dates, prominent players, player nicknames, team achievements, and a list of must-do activities, and then ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist that all fans will appreciate.

John Starks: My Life chronicles John Starks' miraculous ascension from going undrafted after one just one season at Oklahoma State to his stellar career with the New York Knicks. Fans remember his memorable career in New York, capsuled by two remarkable, yet polar-opposite games. The highest of highs would be his triumphant dunk over Horace Grant and Michael Jordan, known in Knick history as "The Dunk," in the waning moments of the 1993 Eastern Conference Finals against the Chicago Bulls which put the Knicks up two games to none. Starks also holds nothing back about his 2-for-18 shooting drought in Game 7 of the 1994 NBA Finals against the Houston Rockets, which was the last real chance the Knicks have had for a championship since 1973. Patrick Ewing, Charles Oakley, Anthony Mason, Mark Jackson, Michael Jordan, Reggie Miller, Pat Riley and Jeff Van Gundy are all seen anew through Starks' clear, no-nonsense eyes. Starks also describes his other NBA stops in Golden State, Utah and, briefly, Chicago. In addition, Starks names his all-minor league-to-NBA team, his all-heart-on-the-jersey team and his all-shooting team. Starks' autobiography describes the star's rise from life in inner-city Tulsa, Oklahoma. As a child, John did not escape trouble, stealing from stores and later cars with a friend who later died in a high-speed car crash with the police. He credits his escape and rapid rise to the influence of his older brother, Monty, who watched the majority of John's NBA career from behind bars, and the single mother that raised John and his siblings. John later attended four junior colleges before making his breakthrough and playing Division I college basketball at Oklahoma State. Monty, before he was sent away to prison, was the one who drove John, toughening him up in savage games of one-on-one and convincing John that he had more in him than just being a drug dealer like himself and playing basketball on the playgrounds of Tulsa. It was Monty who called Leonard Hamilton, the then-coach of Oklahoma State, and got Coach Hamilton to come down and watch John play at Oklahoma Junior College, resulting in a scholarship. Finally, it is a book about family and Starks moving back to Tulsa and raising his family of three children (John Jr. is an aspiring basketball player with a dream to make it to the NBA like his father) with his wife, Jackie, and helping Monty after his release from prison in 2000. Monty now lives in a house on John's property, adjacent to John's house, and has helped him find employment. The two are avid golf partners who, although they constantly fight over

conventional. Known as the Zen Master for imbuing his coaching style with the tenets of Eastern philosophy, Jackson's always employed a unique approach to basketball both on and off the court. Popularizing a system of play called the triangle offense, Jackson won multiple championships including an unprecedented three "three-peats" while coaching Michael Jordan's Chicago Bulls and Kobe Bryant's Los Angeles Lakers, resulting in 11 championships over 20 seasons. That's more than any coach in any of North America's major professional sports. This biography explores Jackson's one-of-a-kind keys to Hall of Fame success that enabled him achieve uncommon triumph in an unparalleled two-decade coaching career.

Whether he's attending a Bruce Springsteen concert the day after visiting Michael Brown's grave, or discussing public displays of affection at a Carly Rae Jepsen show, he writes with a poignancy and magnetism that resonates profoundly. In the wake of the nightclub attacks in Paris, he recalls how he sought refuge as a teenager in music, at shows, and wonders whether the next generation of young Muslims will not be afforded that opportunity now. While discussing the everyday threat to the lives of black Americans, Abdurraqib recounts the first time he was ordered to the ground by police officers: for attempting to enter his own car. In essays that have been published by the New York Times, MTV, and Pitchfork, among others—along with original, previously unreleased essays—Abdurraqib uses music and culture as a lens through which to view our world, so that we might better understand ourselves, and in so doing proves himself a bellwether for our times. Encyclopaedic in scope, yet intimate in detail, *African American Life in South Carolina's Upper Piedmont, 1780-1900* delves into the richness of community life in a setting where blacks were relatively few, notably disadvantaged, but remarkably cohesive. W. J. Megginson shifts the conventional study of African Americans in South Carolina from the much-examined lowcountry to a part of the state that offered a quite different existence for people of colour. In Anderson, Oconee, and Pickens counties - occupying the state's northwest corner - he finds an independent, brave, and stable subculture that persevered for more than a century in the face of political and economic inequities. Drawing on little-used state and county denominational records, privately held research materials, and sources available only in local repositories, Megginson brings to life African American society before, during, and after the Civil War. between African Americans and whites; the lives of free people of colour; the primal place of sharecropping in the post - Civil War world; and the push for education and ownership of property as the only means of overcoming economic dependency. Megginson's work joins a growing chorus of books that demonstrate the success of Reconstruction across the South. Black Republicans and even some black Democrats took up the rights and duties of leadership and made great strides in redressing antebellum wrongs. He underscores the fact that although the white Democrats' redemption of South Carolina government in 1876 greatly curtailed the black political movement, African Americans in the upper piedmont quietly continued to assert their place in the political realm. Through detailed vignettes of individuals and families coupled with deft analysis of overarching social contexts, *African American Life in South Carolina's Upper Piedmont, 1780-1900* adds a new dimension to our understanding of the African American experience in South Carolina and in the South.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With

award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

What Christian was named the greatest coach in the history of team sports by Sporting News Magazine? Can you name the Christian who invented basketball? Can you name three Christian athletes who came to the Lord during their professional careers? Do you know which Christian athlete died in the arms of Dr. James Dobson? At the age of five Michael Louthian traded his kindergarden books for the sports pages. His avid desire to know everything there was to know about sports and the sports world never waned. Throughout his life Louthian has soaked up every piece of information he could get his hands on. Through asking questions he was able to uncover answers. In his second book 30 Christian Impact Athletes, Louthian now asks questions about illegal gambling in basketball and steroid use in baseball. As a student of history, Louthian followed professional sports beyond the usual statistics. He absorbed all the available information about the athletes in what has become, during his lifetime, an industry of gigantic proportions and an influence of unprecedented depth on our society. Professional athletes increasingly indulge in behavior that we would never condone in our children or in ourselves. Yet they are given a pass when their behavior is illegal or boarish. Louthian spotlights the lives of thirty Christian athletes who have had a major impact on society and sports. Jackie Robinson, Branch Rickey, Meadowlark Lemon, Albert Pujols, John Wooden, Tim Tebow, and Kurt Warner are among the athletes featured. Each of the thirty athletes travelled a unique road to their acceptance of the Lord Jesus Christ. Louthian challenges Christian fans to stand tall against the secularists who believe that Christianity should be limited to the religion and obituary columns. It is a thought provoking and entertaining read for avid sports fans of all ages.

The Knicks of the 1990s competed like champions but fell short of their goal. An eclectic group who took divergent, in many cases fascinating paths to New York, they forged an identity as a rugged, relentless squad. Led by a superstar center Patrick Ewing and two captivating coaches--Pat Riley and Jeff Van Gundy--they played David to the Chicago Bulls' Goliath. Despite not winning a championship, they were embraced as champions by New Yorkers and their rivalries with the Bulls, Indiana Pacers and Miami Heat defined NBA basketball for a decade. Drawing on original interviews with players, coaches and others, this narrative rediscovers the brilliance of the Knicks, Ewing and his colorful supporting cast--Charles Oakley, John Starks, Larry Johnson and Latrell Sprewell--in the glory days of Madison Square Garden.

A list of legends is significant not only for who makes the list, but who gets left off of it. If there are no obvious omissions, then the list of candidates was probably less than legendary in the first place. Not so in the case of the Syracuse University Orangemen. Calling roll on Syracuse's all-time basketball greats can take up the greater part of a day. The school produced its first All-American, Lewis Castle, in 1912. Most recently, Carmelo Anthony, one of the best freshmen to ever play college basketball, led the 2003 Orangemen to the school's first NCAA championship. In between there were legends such as the incomparable Dave Bing, Roosevelt Bouie, and Louis Orr, who together formed the Louie and Bouie Show, along with names like Derrick Coleman, Sherman Douglas,

Lawrence Moten, and John Wallace. Legends of Syracuse Basketball features 24 players, one coach, and one special team. Within the book's pages are stories straight from the legends' teammates, their coaches, and the legends themselves. Of the players mentioned, 17 played in the NBA. More telling of the greatness of the Syracuse University basketball program is the fact that 10 Orangemen who played in the NBA did not make this list of legends. The same is true of record holders, All-Americans, and more fan favorites than are possible to count.

Chronicles modern racial profiling developed by New Jersey State Troopers that was used against minority motorists on the New Jersey Turnpike, also known as the Black Dragon. Also covers the war between black and white troopers and the New Jersey Senate hearings into the profiling and how that resulted in the impeachment of a New Jersey Supreme Court justice.

This encyclopedic listing of every man who played on or coached the New York Knicks from the team's inception in 1946 to the present is jam-packed with details on everything from a player's careers statistics to his height, weight, and jersey number. Included is information about a player's life before and after the NBA, college career, and dates of birth and death. Relive the glory days of Bill Bradley, Walter "Cy the Glide" Frazier, Patrick Ewing, Bob McAdoo, Dave DeBusschere, and all the other Knickerbockers in this comprehensive guide to Madison Square Garden's most famous denizens.

Cleburne County and Its People is a historical account of Cleburne County and the men and women who made it what it is today. These men and women were as diverse as the Ozark Mountain's rock-laden landscapes. The pioneers who settled Cleburne County were as strong as the land, of hardy pioneer stock, and bold in thought and action. They were shrewd, strong-willed individuals who brought staunch beliefs and strong disciplines with them and settled in an untamed wilderness which became Cleburne County. Cleburne County and Its People has drawn from the past and the present--chronicling the lives of settlers facing hardships and tragedies, discovering profound beauty, mastering vast natural resources, and formulating democratic ideals. The stories in this book are honest interpretations of the human experience intertwined with the old and the new and adding exciting dimensions to the county and Cleburne and the state of Arkansas. The objective of Carl J. Barger, the compiler of Cleburne County and Its People, is to preserve a history of the county of his birth for students, historians, and all of the citizens of Cleburne County. Carl J. Barger is the author of Swords and Plowshares, a Civil War love story, and Mamie, an Ozark Mountain Girl of Courage, a story of the Ozark Mountain People, set in Cleburne and Van Buren Counties.

A collection of Missouri biographies features the life stories of Count Basie, Walt Disney, Redd Fox, Betty Grable, Mark Twain, T.S. Eliot, Laura Ingalls Wilder, Langston Hughes, Daniel Boone, George Washington Carver, Harry S Truman, and other state luminaries.
