

## Lost Days Four Days Vol 4

Bound volumes of publications by the faculty of the University of Michigan Department of Pediatrics. Volumes begin during the chairmanship of William Oliver and containing through the chairmanship of Robert P. Kelch.

Includes monthly "Abstracts of recent literature relating to non-ferrous and ferrous metals."

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
