The "My first Mandala Coloring Book" VOLUME #1 is a great starter mandala book for toddlers, preschoolers, kindergartners and first grade children. The majority of the images in this book are fairly basic, but there are a few challenging designs featured throughout to help children progress and gradually and color in more intricate designs as they grow older. Why Mandalas? Coloring in general is very good for children of all ages because it enhances creativity and helps them focus. Coloring also has a relaxing effect on kids which helps to reduce stress. Kids who color a lot naturally become more centered, happy and balanced people as they grow older. However, coloring in Mandalas is especially beneficial for children because it helps improve their shape and balance perception, hand-eye coordination and fine motor skills. Mandalas also hold special meaning for children, adults and cultures around the world because the symbolic mandala design is found everywhere in nature. The circular shapes come together in harmony and spring forth more shapes as they come back together again. Kids love mandalas because they are mesmerizing to color and just plain FUN! 65+ Pages of Easy, Fun and Interesting Mandalas for Kids to Color. Recommended for children ages 2-6). The mandalas in this book are centered on the page with room on the page for children to create more drawings of their own. This book is intended for crayons and colored pencils. Please click on the "Look Inside" feature to make sure this book is right for your child. We also have other books coming out in the series that are better suited for older kids. Have a great day!
