Technical Services Quarterly declared that the third edition "must now be considered the essential textbook for collection development and management ... the first place to go for reliable and informative advice." For the fourth edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence. Each chapter offers complete coverage of one aspect of collection development and management, including numerous suggestions for further reading and narrative case studies exploring the issues. Thorough consideration is given to traditional management topics such as organization of the collection, weeding, staffing, and policymaking; cooperative collection development and management; licenses, negotiation, contracts, maintaining productive relationships with vendors and publishers, and other important purchasing and budgeting topics; important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline, the evolving needs and expectations of library users, and new roles for subject specialists, all illustrated using updated examples and data; and marketing, liaison activities, and outreach. As a comprehensive introduction for LIS students, a primer for experienced librarians with new collection development and management responsibilities, and a handy reference resource for practitioners as they go about their day-to-day work, the value and usefulness of this book remain unequaled.

At 668 pages and 26 chapters, Managing Marketing in the 21st Century is about understanding how to develop market strategy and manage the marketing process. This is not a book that attempts to describe all there is to know about marketing; rather, the book focuses on what the prospective manager needs to know. Hence, Managing Marketing in the 21st Century differs from other senior undergraduate and introductory graduate-level marketing texts. We take a position on what we believe is a better or worse course of action for marketers.

Marketing is an applied field, and we believe textbook writers should provide guidance for good marketing practice. In addition, we focus on the manager, not just the marketer. For readers committed to a career in marketing (and we hope there are many), Managing Marketing in the 21st Century will form a solid foundation as you study marketing further and deeper. But the vast majority of you will not work in marketing departments, and will instead become senior executives, general managers, CFOs, and CEOs. We write for you also, because an understanding and appreciation of marketing is central to virtually every important decision that managers make. Because this marketing course will be the only one many of you will take, in a sense, this book provides what every general manager and senior executive must know about marketing. Marketing activity lies at the core of leading and managing a business. Marketing provides the focus for interfacing with customers. Marketing is also the source of insight about the market, customers, competitors, complementors, and the business environment in general. Managing Marketing in the 21st Century contains introductory chapter cases, many examples, Internet links to additional material, video/audio interviews, key ideas, marketing questions, and multiple choice and true/false questions and answers.

A fully updated edition of the award winning textbook for social media marketing. With new case studies on a number of brands including TikTok, Puma and Nespresso and an updated companion website, this book is a must for anyone studying social media marketing.

The benchmark guide to marketing and PR, updated with the latest social media and marketing trends, tools, and real-world examples of success The New Rules of Marketing & PR, 4th Edition is the pioneering guide to the future of marketing, an international bestseller with more than 300,000 copies sold in over 25 languages. It offers a step-by-step action plan for harnessing the power of modern marketing and PR to communicate with buyers directly, raise visibility, and increase sales. It shows how large and small companies, nonprofits, and other organizations can leverage Web-based content to get the right information to the right people at the right time for a fraction of the cost of big-budget campaigns. Including a wealth of compelling case studies and real-world examples of content marketing and inbound marketing success, this is a practical guide to the new reality of reaching buyers when they're eager to hear from you. Includes updated information, examples, and case studies plus an examination of newly popular tools such as Infographics, photo-sharing using Pinterest and Instagram, as well as expanded information on social media such as YouTube, Twitter, Facebook, and LinkedIn David Meerman Scott is a marketing strategist, bestselling author of eight books including three international bestsellers, advisor to emerging companies including HubSpot, and a

professional speaker on topics including marketing, leadership, and social media. Prior to starting his own business, he was marketing VP for two U.S. publicly traded companies and was Asia marketing director for Knight-Ridder, at the time one of the world's largest information companies. The New Rules of Marketing & PR offers the single resource for entrepreneurs, business owners, nonprofit managers as well as those working in marketing or publicity departments to build a marketing and PR strategy to grow any business.

Now in its fourth edition, the hugely successful Emarketing Excellence is fully updated; keeping you in line with the changes in this dynamic and exciting field and helping you create effective and up-to-date customer-centric e-marketing plans. A practical guide to creating and executing e-marketing plans, it combines established approaches to marketing planning with the creative use of new e-models and e-tools. This new edition seamlessly integrates social media technology like Facebook check-in, social networking, tablets and mobile applications into the mix, demonstrating how these new ways to reach customers can be integrated into your marketing plans. It also includes brand new sections on online marketing legislation and QR codes, plus an expanded section on email marketing, the most commonly used e-marketing tool. Offering a highly structured and accessible guide to a critical and far-reaching subject, Emarketing Excellence 4e provides a vital reference point for all students of business or marketing and marketers and e-marketers involved in marketing strategy and implementation and who want a thorough yet practical grounding in e-marketing.

This succinct, comprehensive sourcebook provides everything needed to start, maintain, and provide service for a business collection, and to research virtually any business topic.

This systematically organized text, now in its second edition, gives an in-depth analysis of the multidimensional aspects of strategic marketing. Comprising a harmonious blend of theoretical aspects and real-world applications, the book presents the framework that governs a firm's strategic decisions in the area of marketing. Divided into five parts, the text attempts to provide an explanation and critical analysis of the core concepts that have driven the growth and development of the subject for decades. At the same time, emerging concepts that would shape the scope of the subject have also been highlighted. The book is specifically written for the students who pursue academic and professional programmes in marketing, management and business studies.
