To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.

Western trails, were used as a network of two-way trade routes instead of one-way avenues for westward migration. Introductory chapters highlight prehistoric Indian trails, Spanish exploration, and Pecos as a microcosm of the old Southwest. Each subsequent chapter covers an individual trail, describing its history and some of the people who used it. A chronology of New Mexico's history and trail system is included, as are maps of the most important trails.
