[Siren Menage Everlasting: Erotic Romance, Menage a Quatre, Romantic Suspense, Contemporary, Public Exhibition, Spanking, MFMM, HEA] Book 1 - Dare to Trust - Being caught in a fire set by her own boyfriend has changed Marlena. She doesn't trust easily. She's fearful to say the least when it comes to men. Her focus is on this new start, making three good friends with women who have shared similar experiences, and finding hope in a town called Chance. But she's gained the attention of one local deputy and his two brothers who own the bar and dance hall in town. They're making their desires known, but she's not too keen on exploring the attraction. In the back of her mind she knows that ex of hers might come looking to finish the job. But as Mike, Jack, and Danny break down those walls she put up, her ex tries to attack, and it will take her men, and the entire town of Chance, to save her. Book 2 - Dare to Succeed - Knocked down and discouraged she needs a new motivation. Alicia finds it in Chance along with love triple style. They dare her to succeed, to make her dreams a reality because Monroe, Caldwell and Max support her, believe in her and love her. What could go wrong? Well for one she's not exactly a confident person.

Her heart's been broken, her money stolen out from under her, and her only family, her brother, is a culprit through it all. She's been manipulated to believe she can't succeed without her ex or her brother. Alicia needs to learn to trust and to follow her heart. She's had enough and despite the attempts at making her fail and trying to control her, her ex loses power, as Alicia realizes true love is a powerful thing in deed and noble men always come out on top. Dixie Lynn Dwyer is a Siren-exclusive author.

The Byte Series Volume Four: Inside this volume you will find; Qubyte, Cryptobyte, and Vaporbyte including the alternate ending, along with intro to each story. Qubyte: With the enemy taking out her friends and colleagues, Ellie's inner circle has never been tighter. Flu season is in full swing, surrounded by germs and illness, SSA Ellie Iverson reacts like any new mom, with hand sanitizer at the ready and a desire to keep away from anti-vaxers. Her newly hatched germaphobia escalates when Delta A is asked to investigate animal rights activists and a missing laboratory monkey. An incident in Lexington, Virginia leaves the Director of the FBI fighting for her life. A sudden violent death of a colleague in Washington, the discovery of a spate of deaths linked to the Intelligence Community, herald the arrival of an old friend from the UK with news of a potential global disaster. With biker gangs, drugs, grudges, and a plethora of

'accidental' deaths in the mix, this is no ordinary flu season. Cryptobyte: SAC Iverson and Delta A follow cryptic strands of information regarding missing families to an astonishing conclusion. Truck hijackings, missing families, stolen chemicals, distinctive photographs, cryptic text messages, an unimaginable hobby, and a friend with a curious dilemma. Life is never straightforward for FBI Special Agent Ellie Iverson and the Delta teams. Juggling twin toddlers and a new position as Special Agent in Charge of Delta, Ellie answers a request for help from a Missouri police officer which calls into play her extraordinary skill set and ardent determination to find the truth and protect the vulnerable. Vaporbyte: A botched kidnapping leads the FBI's Delta A and SAC Ellie Iverson down a dark path; littered with intrigue; assassinations; mysterious foreigners; and sketchy connections. On SAC Ellie Iverson's plate: birthday prep for her twins; an attempted abduction; pressure from her husband to retire from the FBI; a missing accountant, and an American company with a nefarious off-shore agenda that could devastate the world. Within hours of trying to contact a whistle-blower, she discovers a murdered British scientist and is in the crosshairs of an assassin. A confidential informant from the scientific community reaches out and twists the emerging situation in a worrisome way. Ellie hauls together a partial plan but in a world littered with intrigue, contract killers, in-fighting intelligence agencies, and

suspect connections, can they work together to prevent catastrophe?

Vampire Navy SEALs, shifters, hot heroes, suspense, and romance – Welcome to the supernatural world where vampires are born, not made. Join Jo Mason as she fights to save humanity alongside the smoking hot Vampire Navy SEAL Webb London and his team of vampires. The series is full of action-packed scenes, intrigue, and a slow-burn romance with a guaranteed happily ever after. This is an upper young adult/new adult vampire romance box set. The boxset contains over 1500 pages of non-stop action in this paranormal romance collection. Books in this bundle: Book One: On the Edge of Humanity Dragged into the principal's office at my latest loathsome school, I meet the darkly appealing Webb London. My world as I know it implodes. Part of a secret Navy SEAL team of natural-born vampires, Webb reveals an evil cartel has abducted my twin brother Sam to claim an agent in his blood. But what flows through his veins runs through mine as well. A dormant gene, if activated, is all it will take to transform me into a vampire. Now, that could be my only hope to save Sam. Time is running out, and the stakes couldn't be higher. His life, or my humanity? One way or another, nothing will ever be the same. Book Two: On the Edge of Eternity A human boy wants to date me. Another wants to kill me. And a Navy SEAL vampire keeps sending me mixed messages. Yet as I adjust to my novel

powers and battle to restrain my vampiric urges, an enemy is closing in. Book Three: On the Edge of Destiny I'm days away from standing trial for the death of my nemesis. My next home could be a cold dark cell in a vampire prison, and my DNA is the secret ingredient my enemy needs to build an army of vampires. But nothing can faze me. I have an expert lawyer on my case. The facts are indisputable. My powers are lethal and stronger to combat my enemy, and my relationship with the smoking hot Vampire Navy SEAL, Webb London, is thriving. Until the nightmares begin. Book Four: On the Edge of Misery My dreams warned me of the danger coming for Webb. There's a chance they could lead me to him. If I only could fall into a restful sleep that now eludes me. The stress is taking its toll on my body and powers until the phone rings. They say they'll trade my life for his. Warn me that I must come alone. With the watchful eyes of my father and brother, it will be next to impossible to escape. Still, I will stop at nothing to save the man I love. Book Five: On the Edge of Infinity War is coming. I've dreamed of it. I feel it deep down in my bones. It's pulsing with a sinister strength deadlier than anything I've faced before. It's time to take a stand. To rise up against my adversaries who want me dead or enslaved. I want a family, an ordinary life, and that fable happy ending with my one true love, Webb. Now, I can only pray we both make it out alive. Praise for the series: "A FANTASTIC

series that I was sucked into and binge read the five-book collection!!! The characters are really well written, with a lot of growth as the series progresses. Characters are fleshed out and you begin to understand their motivations and thinking. Friends, Family and Romance among these Vampire Navy Seals!" BookDragonGirl "Although character driven, the action and suspense keep you turning the pages wanting to see what will happen. I was so pulled in that I was completely oblivious to what was going on around me. There are shocks and surprises that really shake things up and my jaw would practically hit the floor!" Goodreads Reviewer "If you enjoy paranormal romance, military romance, suspense, action, surprises, plot twists and lots of amazing characters...then this is a FANTASTIC series that I'd highly recommend you check out!!" Goodreads Reviewer "These books are for anyone who likes Vampire paranormal stories. They are well written you can lose yourself in these books. You can imagine what each character looks like. They are well worth a read. I am disappointed I have finished them. Ten out of Ten." NEW YORK TIMES AND USA TODAY BESTSELLING AUTHOR “Take my word for it, James Reece is one rowdy motherf***er. Get ready!”—Chris Pratt, all around great guy and star of The Terminal List, coming to Amazon Prime A Navy SEAL has nothing left to live for and everything to kill for after he discovers that the American government is behind the deaths of his team in this ripped-from-the-headlines political thriller that is “so powerful, so pulse-pounding, so well-written—rarely do you read a debut novel this damn good” (Brad Thor, #1 New

York Times bestselling author). On his last combat deployment, Lieutenant Commander James Reece's entire team was killed in a catastrophic ambush. But when those dearest to him are murdered on the day of his homecoming, Reece discovers that this was not an act of war by a foreign enemy but a conspiracy that runs to the highest levels of government. Now, with no family and free from the military's command structure, Reece applies the lessons that he's learned in over a decade of constant warfare toward avenging the deaths of his family and teammates. With breathless pacing and relentless suspense, Reece ruthlessly targets his enemies in the upper echelons of power without regard for the laws of combat or the rule of law. With "crackerjack plotting, vivid characters both in and out of uniform, and a relentless pace to a worthy finish" (Stephen Hunter, #1 New York Times bestselling author), *The Terminal List* is perfect for fans of Vince Flynn, Brad Thor, and Nelson DeMille.

The companion volume to the multimillion-copy bestseller *No Easy Day* by former Navy SEAL Mark Owen reveals the evolution of a SEAL Team Six operator. Mark Owen's instant #1 New York Times bestseller, *No Easy Day: The Firsthand Account of the Mission that Killed Osama bin Laden*, focused on the high-profile targets and headline-grabbing chapters of the author's thirteen years as a Navy SEAL. His follow-up, *No Hero*, is an account of Owen's most personally

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

****THE NEW YORK TIMES BESTSELLER**** With all the SEALs' recent successes, we have been getting a level of attention we are not used to. It's been flattering but something important has been missing from the discussion. People keep describing what we do, but no one has even scratched the surface of how and why. The unique psychology behind it. Operating in the world's most hostile environments, the Navy SEALs are highly skilled warriors, finely tuned

and ready for action. Now, for the first time, Lieutenant Commander Rorke Denver offers a compelling and profound insight into the extreme bravery, borderline lunacy, and touching camaraderie of this elite brotherhood. Packed with tales from the gruelling training process and real-life operations, Rorke Denver recounts his evolution from a young SEAL hopeful pushing his way through Hell Week, into a warrior engaging in dangerous stealth missions across the globe, and finally into a lieutenant commander directing the indoctrination programmes and the "Hero or Zero" missions his graduating SEALs undertake. From hunting Osama bin Laden to hostage rescues in Somalia and momentum-shifting operations in Afghanistan and Iraq, the SEALs hit hard and fast, moving in and out of conflict zones without leaving a trace. Through the course of Denver's story, you'll see what it takes to become one of them and why they are the damn few.

Mason Hall, Navy SEAL, knows all about difficult assignments, but his current mission is one for the record books. Not only must he find a wife—and get her pregnant—or forfeit the ranch his family has prized for generations, he must also convince his three brothers to marry, too—before the year is up. Who knew one city girl and three wayward brothers could put up such a fight? Regan Anderson can't wait any longer to meet Mr. Right, so she's taken matters into her own hands. She's quit her job, given up her nice apartment and undergone all the preliminary appointments to prepare for artificial insemination. Still, becoming a single mother is daunting, so when she spots Mason's Wife Wanted ad on the Internet one night, she's ready for a few laughs. She's sure the ad must be fake, but when Mason answers back, she soon finds herself wanting more than a long distance relationship. If Mason can just keep her talking until he makes it home from Afghanistan, he's sure he can convince Regan he's her man. But when he whisks her off for a trial run in Chance Creek, they're in for an unpleasant surprise. The ranch is in ruins, the house has been stripped, and they're going to have to work

Clint Emerson, retired Navy SEAL and author of the bestselling *100 Deadly Skills*, presents an explosive, darkly funny, and often twisted account of being part of an elite team of operatives whose mission was to keep America safe by whatever means necessary. Clint Emerson is the only SEAL ever inducted into the International Spy Museum. Operating from the shadows, with an instinct for running towards trouble, his unique skill set made him the perfect hybrid operator. Emerson spent his career on the bleeding edge of intelligence and operations, often specializing in missions that took advantage of subterfuge, improvisation, the best in recon and surveillance tech to combat the changing global battlefield. MacGyvering everyday objects into working spyware was routine, and fellow SEALs referred to his activities simply as “special shit.” His parameters were: find, fix, and finish—and of course, leave no trace. *The Right Kind of Crazy* is unlike any military memoir you’ve ever read because Emerson is upfront about the fact that what makes you a great soldier and sometimes hero doesn’t always make you the best guy—but it does make for damn good stories.

The second volume of *Break the Glass* by Tony Barrientez. This volume contains thoughts on personal growth, religion, philosophy, and politics. Take a journey through the ages of the author's life with poems lining the way.

A gripping history chronicling the fits and starts of American special operations and the ultimate rise of the Navy SEALs from unarmed frogmen to elite, go-anywhere commandos—as told by one of their own. “Deeply researched, well organized, and incredibly engaging . . . This is our legacy with all the warts, the challenges, and the heroics in one concise volume.”—Admiral William H. McRaven, #1 New York Times bestselling author and former commander, United States Special Operations Command How did the US Navy—the branch of the US military

tasked with patrolling the oceans—ever manage to produce a unit of raiders trained to operate on land? And how, against all odds, did that unit become one of the world's most elite commando forces, routinely striking thousands of miles from the water on the battlefields of Iraq, Afghanistan, Syria, even Central Africa? Behind the SEALs' improbable rise lies the most remarkable underdog story in American military history—and in these pages, former Navy SEAL Benjamin H. Milligan captures it as never before. Told through the eyes of remarkable leaders and racing from one longshot, hair-curling raid to the next, *By Water Beneath the Walls* is the tale of the unit's heroic naval predecessors, and the evolution of the SEALs themselves. But it's also the story of the forging of American special operations as a whole—and how the SEALs emerged from the fires as America's first permanent commando force when again and again some other unit seemed predestined to seize that role. Here Milligan thrillingly captures the outsize feats of the SEALs' frogmen forefathers in World War II, the Korean War, and elsewhere, even as he plunges us into the second front of interservice rivalries and personal ambition that shaped the SEALs' evolution. In equally vivid, masterful detail, he chronicles key early missions undertaken by units like the Marine Raiders, Army Rangers, and Green Berets, showing us how these fateful, bloody moments helped create the modern American commando—even as they opened up pivotal opportunities for the Navy. Finally, he takes us alongside as the SEALs at last seize the mantle of commando raiding, and discover the missions of capture/kill and counterterrorism that would define them for decades to come. Written with the insight that can only come from a combat veteran and a member of the book's tribe, *By Water Beneath the Walls* is an essential new history of the SEAL teams, a crackling account of desperate last stands and unforgettable characters accomplishing the

impossible—and a riveting epic of the dawn of American special operations.

Three more sexy military romances in the Out of Uniform series from Annabeth Albert! *Wheels Up* Their love is forbidden, but their hearts aren't listening to rules and regulations... Lieutenant Dustin Strauss has kept his bisexual identity under wraps for years, along with his kinky side and a fondness for the military-themed semi-anonymous hookup website Joe4Joe. His latest chat buddy is more than a sexy online distraction—they're taking their very not-safe-for-work relationship into real time. Petty Officer Wes Lowe has a smart mouth, a take-charge attitude and an uncanny ability for making things go boom. The life of an enlisted man isn't always enough to satisfy him, but one wild, no-questions-asked weekend with his online love comes close. But as they log more time online and some very real emotions surface, Dustin and Wes struggle to pretend they're just a harmless fling. *Squared Away* In the wake of tragedy, SEAL Mark Whitley rushed stateside to act as guardian to his sister's three young children. But a conflicting will could give custody to someone else—someone Mark remembers as a too young, too hot, wild party boy. Even after six years, Mark can't shake the memory of his close encounter with Isaiah James, or face up to what it says about his own sexuality. Isaiah's totally over the crush that made him proposition Mark all those years ago. In fact, he's done with crushing on the wrong men altogether. For now, he's throwing himself into proving he's the best person to care for his cousin's kids. But there's no denying there's something sexy about a big, tough military man with a baby in his arms. *Tight Quarters* Petty Officer Bacon, a navy SEAL and ace sharpshooter, has been on the front lines of more than his fair share of dangerous ops. Yet when a minor injury relegates him to the beta team, he's tasked with what may be his riskiest assignment yet: the silver fox journalist he's babysitting is the hottest, most

charismatic man he's ever encountered. Award-winning journalist Spencer Bryant may have been named one of *Pride* magazine's most eligible bachelors of the year, but he's not looking to change his relationship status. He's a won't risk his ethics or impeccable reputation by getting involved with a source. Even a sexy-as-hell military man. But while Spencer can resist his physical attraction to Bacon, he has less control over his emotions—especially when the mission goes sideways and the two men are trapped alone.

A memoir that "ranges across SEAL Team Operator Robert O'Neill's ... four-hundred-mission career, which included his involvement in attempts to rescue 'Lone Survivor' Marcus Luttrell and abducted-by-Somali-pirates Captain Richard Phillips and which culminated in those famous three shots that dispatched the world's most wanted terrorist, Osama bin Laden"--Amazon.com.

Project DEEP (Disease & Epidemic Eradication & Prevention) is a steamy military/government series that takes place in a government bunker in Colorado where the world's most renowned scientists work to cure and prevent diseases. Unfortunately, ten years ago an accident in the bunker infected all twenty-one medical professionals with a rare form of fatal anemia. They were unable to find a cure in time, so they were cryonically preserved in the bunker. Follow the lives of several of these men and women as they are reanimated a decade later and go on to find love and happiness.

Three real-life accounts of the struggles of American soldiers from the Iraq and Afghanistan battlefields to, in two cases, US military tribunals. *Legion Rising: Surviving Combat and the Scars It Left Behind* by Jeff Morris Follow Jeff through up-close, fast-paced accounts of the thrills and dangers of combat as a Platoon Leader in Iraq. Clint Lorance* by Don Brown The Book That Won a Presidential Pardon! On July 2, 2012, three Afghan males crowded on a motorcycle and sped down a Taliban-controlled dirt road toward Lt. Clint Lorance's men. In a split-second decision, Lorance ordered his men to fire. When no weapons were found on the Afghan bodies, the Army prosecuted Lorance for murder. "The most powerful case to date for the exoneration of imprisoned Army Lt. Clint Lorance." —Sun-Sentinel *Saving Sandoval* by Craig W. Drummond While deployed in Iraq, Sandoval, an airborne infantryman and elite sniper, was instructed to "take the shot" and kill an enemy insurgent wearing civilian clothes. Two weeks later, Army Criminal Investigation Command descended upon Sandoval's unit, trying to link Sandoval and others to war crimes, including murder. "A revealing, real-life courtroom drama, reminiscent of *A Few Good Men*." —Hunter R. Clark, International Law and Human Rights Program and Drake University Law School
