

Papercraft Cars

An essential guide to all aspects of car painting, for keen amateurs and professionals alike. With step-by-step instructions and illustrations throughout, Car Painting covers the entire process - from panel preparation to spraying and painting techniques - offering guidance and tips on painting your car to a professional standard. With a focus on safety throughout, the book also covers: selecting and understanding paint, including important legislation; materials and equipment, and building your own paint booth; preparing your car, including parts removal, sanding, chemical stripping and rust proofing; masking and priming; painting techniques - spraying, clear coats and drying; stripes and custom touches; polishing, reassembly and preservation and finally, troubleshooting. Superbly illustrated with 200 colour photographs.

This clinically oriented text provides you with a comprehensive reference of cervical spine function, dysfunction, clinical syndromes, evaluation and management. You get guidelines on how to approach specific clinical syndromes related to the cervical spine from the standpoint of signs and syndromes, differential diagnosis, treatment, rehabilitation, referral and home care.
