Agile Practice Guide – First Edition has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

PgMP® Exam Practice Test and Study Guide, Fourth Edition is the book you need to pass the Program Management Professional (PgMP®) exam the first time around. It reflects recent revisions based on PMI®'s Standard for Program Management - Third Edition (2013). Based on best practices that complement

PMI®'s standards, this is the most comprehensive and up-to-date resource available to help you prepare for the exam with new and changed terminology. It includes a list of the major topics covered on the exam organized by the five performance domains—strategic program management, program life cycle, benefits management, stakeholder management, and governance—as presented in the Program Management Professional Examination Content Outline. It also includes helpful tips on how to make the most of the time you have available to prepare for the exam. Just like its bestselling predecessors, this indispensable study guide includes 20 multiple-choice practice questions for each domain along with a comprehensive answer key. The program life cycle domain includes 20 questions for each of the five phases. Each question also has a plainly written rationale for each correct answer with bibliographic references for further study. Two challenging, 170-question practice tests that simulate the actual exam are included in the book and online, so you can retake them as many times as necessary. They also include a rationale and reference. Scores for the online tests are presented as if each question is rated similarly, but this edition also includes a new component: the authors' own weighting system for the level of difficulty for each question. This system will show you what they feel meets the exam's criteria for Proficient, Moderately Proficient, and below Proficient. You then will see your scores by domain in both approaches. Supplying an insider's look at the questions, terminology, and sentence construction you will encounter on the day of the exam, this indispensable study tool is designed to help you pass the exam and achieve the highly sought after PgMP® certification.

Recognizing the importance of portfolio management, the Project Management Institute (PMI®) has launched a new certification entitled the Portfolio Management Professional (PfMP®). PfMP® Exam Practice Tests and Study Guide is the most comprehensive resource available to help you prepare for and pass the PfMP® certification exam. It provides coverage that is current with The Standard for Portfolio Management, Third Edition and the PfMP® Examination Content Outline (ECO), 2013. The book consists of five sections, each of which corresponds to one of the five domains described in the ECO. Each section includes study hints, a list of major topics that may be encountered on the exam, and 20 multiple-choice practice questions that illustrate the applicable task from the ECO. Each section also includes an answer sheet and answer key with the rationale for each correct answer and references to the Standard. Supporting references are also listed at the end of the book for each of the domains covered on the exam. Written by Dr. Ginger Levin, co-author of best-selling PMP® and PgMP® study guides, the book includes two complete practice tests, each consisting of 170 questions that follow the blueprint of the actual PfMP® exam as described in the ECO. For example— 25 percent of the questions relate to Strategic Alignment 20 percent relate to Governance 25 percent relate to Portfolio Performance 15 percent relate to Portfolio Risk Management 15 percent relate to Communications Management The two accompanying online tests feature a proprietary scoring algorithm to help you determine if you are Proficient, Moderately Proficient, or Below Proficient in each domain. Earning the PfMP® certification is a prestigious accomplishment. By studying this book and using the practice exams provided, you will significantly improve your chances of passing the exam, the first time around.
