Kaplan Test Prep is the only Official Provider of PCAT Prep, as endorsed by the American Association of Colleges of Pharmacy (AACP). PCAT announced minor changes to the exam for the July 2018 test dates going forward – the timing of three of the sections has increased, giving you more time per question, a greater emphasis on passage-based questions in the science sections, more real-life problems in the Quantitative Reasoning section, and non-science based passages in Reading Comprehension. We have already updated the timing on the included Full-Length practice tests with PCAT Prep Plus to match the test as well as aligned the science sections with the increase in passage-based questions. Rest assured that the changes still align with the effective prep you'll get from Kaplan's PCAT Prep Plus as the core skills and content tested has not changed. To see the new timing of the exam visit kaptest.com/study/pcat/all-about-the-pcat/ We are so certain that PCAT Prep Plus 2020-2021 offers all the knowledge you need to excel at the PCAT that we guarantee it: After studying with the online resources and book, you'll score higher on the PCAT—or you'll get your money back. Exam Essentials is our major British English exam preparation series combining exam preparation, practice, and tips for the revised Cambridge English exams. This effective combination of testing and teaching has proved a popular formula with teachers and students. The first two practice tests in each book are 'walk-through' tests. Students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam. Additional step-by-step support for the Writing paper is offered in all the tests. All of the tests are written by experts in the field, which means that students preparing for the exams experience material that is appropriate for and at a level at least as high as the actual exams. Candidates internationally find the Speaking test very challenging. To help them deal with this, each Practice Test book comes with a DVD-ROM which includes a bespoke video showing a complete Speaking test interview as well as an examiner talking about this part of the exam and giving students expert guidance on how to approach it. The DVD-ROM also features worksheets to use with the interview and all the Listening test files.
