If you have a family member such as a spouse, grown-up child, parent or sibling living in a country in which you desire to emigrate and you need divine assistance to help you begin and complete the process, "Prayer Rain: Breakthrough Prayers For Family-Sponsored Permanent Residency" is the only book of its kind available that contains the word and prayers that will move God to work in your favor. Bible characters such as Abraham and his son, Isaac, Joseph and Mary (mother of Jesus) as well as Paul the Apostle and many others were at one time or the other permanent residents or citizens of countries other than their countries of birth. So surely, as far as it is the will of God, becoming a permanent resident or citizen of a prosperous country is a good thing and if you desire it, it is yours to get. That said, there is a problem. All the great countries of the world have laws that regulate the inflow of immigrants. If you apply but you do not meet the requirements of the immigration laws of these countries, your application will be denied. If you manage to enter into any country and cannot get the legal right to remain, you will automatically become an illegal immigrant - a very undesirable and sometimes dangerous designation. However, if you decide to legally take on the challenge, there are several complicated hurdles to cross and therefore you need the backing of the Almighty. This is why this book was written - to help you get God's help in beginning and completing the permanent residency process. Without a doubt, if you do everything that is written in this book and you exhibit total faith in God that He will answer your prayers, you will get what you want by the power in the mighty name of Jesus.

In Israel, the High Holiday cycle marks the transition from summer to the rainy season. In Waiting for Rain, the acclaimed teacher Bryna Levy offers a compelling collection of meditations that examine the biblical and liturgical readings associated with the High Holidays, from Rosh Hashanah to Simhat Torah. Based on a series of lectures given in Jerusalem at Matan – the Women's Institute for Torah Studies, and known as "The Hoshana Rabbah Lectures," Levy's readings of the traditional texts echo the natural and spiritual tenor of this season. Waiting for Rain joins the field of biblical interpretation known as parshanut ha-mikrah. It offers fresh insights into traditional rabbinic interpretation, together with the author's perspective as a modern Orthodox woman bible scholar. Levy explores the psyches of the biblical characters and addresses issues such as our connectedness to others, the tragedy of wasted opportunity, confronting evil, the denial of death, faith and doubt, personal and communal responsibility, universalism versus particularism, the challenge of leadership, sin and atonement, and the efficacy of prayer. The result is a highly personal approach to the meaning of the High Holidays that resonates with our own modern lives. Stories about heroes and heroines, love, faith, hope, and dreams make this book a moving and engaging source for study and reflection as well as an excellent companion to the traditional High Holiday prayer services.

Edgar Cayce, America's best documented psychic, gave upwards of 44 readings that dealt with lost continents, geophysical changes to Earth beginning 1958-1998, and a pole shift due to begin about now. In this book, geologist William Hutton and researcher Jonathan Eagle look for correspondences between results of geophysical research studies and psychic descriptions of prehistoric catastrophes. They also seek scientifically to test readings' predictions of catastrophic Earth changes, all the while investigating the following fascinating subjects: * Development and calibration of a comprehensive pole-shift model * The countries predicted to be most affected by a sudden, 1° pole shift. * The geologic trend for a mineralized gold vein at Bimini, Bahamas. * The authors' discoveries of correlations between: - a 2002 arctic earthquake and the eruption of torrid-area volcanoes, - the dropping of atom bombs in 1945 and a significant increase in sunspots following, and - the peaceable nature of Europe in 1645-1715 and the period's near total lack of sunspots. (Cayce readings implied or predicted all three phenomena.) * The first-ever analysis of the sources of Cayce's channeled readings, including a ranking of the veracity and reliability of the most important Earth changes and pole-shift readings. * Moralistic reasons for future catastrophic geophysical changes to Japan, China, and America. * Locations of post-pole-shift safety lands in Canada and America. * Locations of the records of the Atlantean civilization, to be found when Earth changes begin. * How to awaken to the New Cycle presently opening before humanity. * Evidence for Atlantis in the mid-Atlantic ridge area and for Lemuria (or Mu) in the Pacific. * The consuming religious war in which we find ourselves, and an answer to world conditions today. * Visions of an imminent Age-ending fire, as found in a Cayce reading, in a channeled book by Phyllos the Tibetan, and in the 1960s visions of girls at Garabandal, Spain. * Doubtful interpretations of Earth-changes and pole-shift readings advanced by managers and writers of Cayce's legacy organization, the Association for Research and Enlightenment, Inc. From the Foreword by the Editor: "The acid test of pole shift and other Earth change predictions is their scientific credibility. If true, momentous societal and political changes are imminent. The geopolitical map of the world will be redrawn. The authors are exploring the transition from the end of one Age to the beginning of another."
