

Star Wars Last Shot A Han And Lando Novel

The making of the Star Wars saga, as told by the cast and crew. Features content previously published in the official Star Wars Insider. Each volume brings together a collection of the best of the official Star Wars Insider magazine content, celebrating the complete Star Wars experience, from movies to books, videogames to comic books and more! Featuring rare cast and crew interviews, and exclusive behind the scenes pictures, this is an essential read for Star Wars fans of all ages.

This book traces the changing representation of female characters in the Star Wars franchise through the lens of the four feminist waves, arguing that while the original trilogy reflects the second wave of feminism, the prequels mirror the girl power era that followed, and the sequels are helping define a new fourth wave of inclusion and diversity.

Mirabelle Harper's Star War The War Of Cobator Guardian, First, with the resistance of the pirate-captured pilot Poe Dameron, the BB-8 - and the Rapier Squadron - are tasked with saving the day! Then, in a story set in front of a new hope, Princess Leia Organa faces the most difficult task of her young life - to teach Amilyn Moon to lead her racing! But they both learn an important lesson after finding themselves on the dangerous lower level of Coruscant. And finally, he can witness the many lessons Rey learned from Luke Skywalker during his time at Ahch-To. Collect 24-26 of the Star Wars Adventures series. Zeen followed the Jedi to the Starlight Beacon, where he learns what it means to be Padawan and begins his own training. Meanwhile, his best friend, Krix, tries to survive on a Nihil ship and goes through a republican blockade, wondering who the mysterious person who rescued him is. New York Times Most Popular Star Wars: The author of the last shot, Daniel José Older and artist Harvey Tolibao, present IDW to The High Republic, a huge crossover that spans comics and prose. Collect Hutt Jabba: Gaar's Suppoon Blow, Jabba the Hutt: Princess Namp's Hunger, Hab Jabba: The Trap of the Dynasty and Hab Jabba: Betrayal. Prior to Princess Leia's death, Hutt Jabba was known as the worst gangster in the entire galaxy. In these horrible tales of power and corruption, he confronted rival criminals. Jabba lives up to negotiations and the art of transaction is his only discipline.

The essays in Rethinking Media Change center on a variety of media forms at moments of disruption and cultural transformation. The editors' introduction sketches an aesthetics of media transition—patterns of development and social dispersion that operate across eras, media forms, and cultures. The book includes case studies of such earlier media as the book, the phonograph, early cinema, and television. It also examines contemporary digital forms, exploring their promise and strangeness. A final section probes aspects of visual culture in such environments as the evolving museum, movie spectacles, and "the virtual window." The contributors reject apocalyptic scenarios of media revolution,

demonstrating instead that media transition is always a mix of tradition and innovation, an accretive process in which emerging and established systems interact, shift, and collude with one another.

"In 2012, Disney purchased production studio Lucasfilm, which meant it also inherited the beloved Star Wars franchise. This corporate marriage sent media critics and fans into a frenzy of speculation about what would happen next with the hugely popular series. Disney's Star Wars gathers twenty-one noted fan and media studies scholars from around the world to examine Disney's revival of the franchise. Covering the period from Disney's purchase through the release of The Force Awakens in December 2015, these essays examine the significance of this transitional period from the intertwined perspectives of the studios, storytellers, marketers and audiences involved. For many, Star Wars is a vitally important cultural text. How did these fans anticipate, interpret, and respond to the steady stream of production stories, gossip, marketing materials, merchandise, and other sources in the build-up to the movie's release?"--

Collects Star Wars: Doctor Aphra #32-36. The galaxy's shadiest archaeologist is back doing what she does best! After a year of close shaves, Doctor Chelli Aphra is taking it easy and lying low. Probably herding banthas or something. She's smart like that, right? No, not really. She's back to busting into alien temples to steal horrifying weapons for huge profit. She just can't stop herself. But plenty of other people could. Powerful factions are watching closely — all calculating whether Aphra is more useful alive...or dead. And now, the incorrigible and sticky-fingered Aphra finds herself at the mercy of the Rebel High Command. But things are about to get even stickier! The one thing every galactic treasure hunter knows for sure: exes never mark the spot! Plus: A trip down memory lane! Bounty hunters — lots of bounty hunters! And an old enemy awaits!

Prepare yourself for a journey through the world of Patton Oswalt, one of the most creative, insightful, and hysterical voices on the entertainment scene today. Widely known for his roles in the films Big Fan and Ratatouille, as well as the television hit The King of Queens, Patton Oswalt—a staple of Comedy Central—has been amusing audiences for decades. Now, with *Zombie Spaceship Wasteland*, he offers a fascinating look into his most unusual, and lovable, mindscape. Oswalt combines memoir with uproarious humor, from snow forts to Dungeons & Dragons to gifts from Grandma that had to be explained. He remembers his teen summers spent working in a movie Cineplex and his early years doing stand-up. Readers are also treated to several graphic elements, including a vampire tale for the rest of us and some greeting cards with a special touch. Then there's the book's centerpiece, which posits that before all young creative minds have anything to write about, they will home in on one of three story lines: zombies, spaceships, or wastelands. Oswalt chose wastelands, and ever since he has been mining our society's wasteland for perversion and excess, pop culture and fatty foods, indie rock and single-malt scotch. *Zombie Spaceship Wasteland* is an

gives readers additional important historical context in five essays Gives equal coverage to a diverse array of robots, from the well-known to the obscure

Flaming destruction has come to Trymant IV! Childhood best friends Zeen and Krix try to find safety, while Yoda's Padawans, Lula, Farzal, and Qort are trying to evacuate the citizens, but the Nihil ship won't let anyone onboard. And when a massive battle breaks out, Krix and Zeen get torn apart! Writer Daniel José Older, bestselling author of *Star Wars: Last Shot*, and artist Harvey Tolibao bring IDW into *The High Republic*, a massive publishing crossover spanning comics and prose!

“What the future fortunes of [Gramsci’s] writings will be, we cannot know. However, his permanence is already sufficiently sure, and justifies the historical study of his international reception. The present collection of studies is an indispensable foundation for this.” —Eric Hobsbawm, from the preface Antonio Gramsci is a giant of Marxian thought and one of the world's greatest cultural critics. Antonio A. Santucci is perhaps the world's preeminent Gramsci scholar. Monthly Review Press is proud to publish, for the first time in English, Santucci’s masterful intellectual biography of the great Sardinian scholar and revolutionary. Gramscian terms such as “civil society” and “hegemony” are much used in everyday political discourse. Santucci warns us, however, that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that often have nothing to do with Gramsci’s purposes in developing them. Rather what we must do, and what Santucci illustrates time and again in his dissection of Gramsci’s writings, is absorb Gramsci’s methods. These can be summed up as the suspicion of “grand explanatory schemes,” the unity of theory and practice, and a focus on the details of everyday life. With respect to the last of these, Joseph Buttigieg says in his *Nota*: “Gramsci did not set out to explain historical reality armed with some full-fledged concept, such as hegemony; rather, he examined the minutiae of concrete social, economic, cultural, and political relations as they are lived in by individuals in their specific historical circumstances and, gradually, he acquired an increasingly complex understanding of how hegemony operates in many diverse ways and under many aspects within the capillaries of society.” The rigor of Santucci’s examination of Gramsci’s life and work matches that of the seminal thought of the master himself. Readers will be enlightened and inspired by every page.

With my Ultimate Angry Bird’s Star Wars 2 Game Guide you will learn exactly what you need to know in order to become an expert player and rank as the highest score on every level! In science fiction and popular culture, Latinxs and Latinx immigrants are often correlated with invading space aliens. At times serious, at other times a farce, this correlation is typically meant in a derogatory way to portray Latinxs as foreign and threatening the nation. In *The Latinx Files*, Matthew David Goodwin traces how Latinx science fiction writers are reclaiming the space alien from its xenophobic legacy in the science fiction genre. The book argues that the space alien is a vital Latinx figure which is preserving Latinx cultures by activating the myriad possible constructions of the space alien to represent race and migration in the popular imagination. The works discussed in this book, including those of Gloria Anzaldúa, Junot Diaz, Lalo Alcaraz, and many others, often explicitly reject the derogatory correlation of the space alien and Latinxs, while at other times, they contain space aliens that function as a source of either enlightenment or horror for Latinx communities. Throughout this nuanced analysis, *The Latinx Files* demonstrates how the character of the space alien has been significant to Latinx communities and has great potential for future writers and artists.

Television is entering a unique era, in which women and minorities no longer serve under white captains but take the lead--and all the other roles as well. In a brilliant new universe where the intersectional values of fourth wave feminism are becoming more widespread, fantasy and science fiction are leading the charge. Shows from *Star Wars* to *Doctor Who* are rewriting their traditional storylines to include more well-rounded and racially diverse female characters. *Steven Universe*, DC's *Legends of Tomorrow*, *Orphan Black* and *Sense8* highlight queer characters and experiences. Dystopias like *Marvel's Jessica Jones* and *The Handmaid's Tale* show the female perspective entirely, guiding viewers from trauma to self-determination. In fantasy and horror, *Wynonna Earp*, *Game of Thrones*, *Supergirl*, *Vikings*, *American Horror Story*, *Black Mirror*, and *The Walking Dead* reveal how much the story changes with a spectrum of women reclaiming the text from white, straight, young, cisgender men. These new shows are intersectional, digital, global, critical, and political, with fan responses changing the content and cutting-edge platforms like Netflix and Hulu shaking up the format.

No war can last forever. Now, in the long and punishing battle between the defiant champions of the New Jedi Order and the juggernaut that is the Galactic Alliance, the endgame is finally at hand. With so much lost—and nothing less than the course of the future still at stake—there can be no turning back. No matter the consequences. The rebel cause is losing

ground under the twin blows of Admiral Gilad Pellaeon's assassination and the death of Mara Jade Skywalker. At the same time, having gained the support of the Imperial Remnant and its ruthlessly efficient forces, the Galactic Alliance, with the extraordinary power and dark brilliance of newly ascendant Sith Lord Darth Caedus at its helm, may be unstoppable. Tormented and torn between the call of duty and the thirst for vengeance, Luke has searched the Force and beheld an unspeakable vision of the galaxy enslaved under tyranny more monstrous than even Palpatine's. Now it seems that the last, best hope lies in mobilizing the scattered Jedi for one decisive search-and-destroy mission. The objective: eliminate Darth Caedus. It's a plan that will be as difficult and dangerous to execute as it is daring. For Caedus is a scion of both the Skywalker and Solo bloodlines whose command of the Force surpasses even that of his grandfather Darth Vader. There is only one who is bound by destiny to stand against him in what will surely be a duel to the death, only one with an outside chance of bringing down the dark lord who was once Jacen Solo. Failure is not an option. The furious final moments between power and peace are here, and whoever confronts Darth Caedus will decide the outcome—and the fate of those left standing. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

As the Republic prepares for its Republic Fair, Qort and Farzala join an aging Jedi and the crew of the Vessel on a top-secret mission to negotiate a peace deal with the Hutts, in this first issue of a two-part tie-in with Marvel's The High Republic! What could go wrong? As it turns out: literally everything. Writer Daniel José Older, bestselling author of Star Wars: Last Shot and artist Harvey Tolibao bring IDW into The High Republic, a massive publishing crossover spanning comics and prose!

Even the fastest ship in the galaxy can't outrun the past. . . . THEN: It's one of the galaxy's most dangerous secrets: a mysterious transmitter with unknown power and a reward for its discovery that most could only dream of claiming. But those who fly the Millennium Falcon throughout its infamous history aren't your average scoundrels. Not once, but twice, the crew of the Falcon tries to claim the elusive prize--first, Lando Calrissian and the droid L3-37 at the dawn of an ambitious career, and later, a young and hungry Han Solo with the help of his copilot, Chewbacca. But the device's creator, the volatile criminal Fyzen Gor, isn't interested in sharing. And Gor knows how to hold a grudge. . . . NOW: It's been ten years since the rebel hero Han Solo last encountered Fyzen Gor. After mounting a successful rebellion against the Empire and starting a family with an Alderaanian princess, Han hasn't given much thought to the mad inventor. But when Lando turns up at Han's doorstep in the middle of the night, it's Fyzen's assassins that he's running from. And without Han's help, Lando--and all life on Cloud City--will be annihilated. With the assistance of a young hotshot pilot, an
