

Supreme Court Of New Jersey

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

This book includes every Supreme Court case relevant to elections and political representation from the Court's beginnings to 2001, including the 2001 decision in *Cook v. Gralike* that limited citizens' rights to instruct Federal representatives. It is a primary document reference book organized topically in sixteen chapters. Every case is included either as a full (edited) opinion, extensive excerpts of the opinion, or a detailed description of the case. As with the companion volume on gender and sexual equality, using this single volume a researcher can see how American legal history on the topic played out in its entirety. A Table of Cases, relevant Federal statutes, and an extensive bibliography further enhance the volume's usefulness.

Details the Supreme Court case that dealt with drug searches by public school employees and debated the Fourth Amendment rights of students.
