The Encyclopedia Of Serial Killers A Study Of The Chilling Criminal Phenomenon From The Angels Of Death To The Zodiac Killer Facts On File Crime Library

The first volume featuring the most infamous killers throughout history—from Afghanistan’s Abdullah Shah to Kazakh cannibal Nikolai Dzhumagaliev. The World Encyclopedia of Serial Killers is the most comprehensive set of its kind in the history of true crime publishing. Written and compiled by Susan Hall, the four-volume set has more than 1600 entries of male and female serial killers from around the world. Defined by the FBI as a person who murders three or more people over a period of time with a hiatus of weeks or months between murders, serial killers have walked among us from the dawn of time as these books will demonstrate. While the entries to these volumes will continue to grow—the FBI estimates that there are at least fifty serial killers operating in the United States at any given time—The World Encyclopedia of Serial Killers is as complete as possible through the end of 2017. The set begins with Volume One, Letters A–D. The entries include Ted Bundy, the Candyman Dean Corll, Angel of Death killer Donald Harvey, the ABC Killer, and the Bodies in the Barrels Murders. You will find these killers and approximately five-hundred others in this first book in the series of The World Encyclopedia of Serial Killers.

Serial killers have been amazing people since the dawn of time. Even though we find their acts completely heinous and terrifying, we still are interested in what makes them tick. There have been serial killers since the world was created, and that will never change. The first recorded evidence of a serial killer dates back to the 1896 World's Fair when H. H. Homes or Herman Webster Mudgett made his debut into the serial killer hall of fame. Since that time, more and more serial killers have graced us with their absurd and ludicrous actions. Welcome to the minds of some of the most horrific serial killers of all time. These pages are filled with countless serial killers. Each One is broken down into the simplest of details so that you can learn of the horrific crimes they committed to other people in this world. The Zodiac Killer John Wayne Gacy Dennis Rader Jeffrey Dahmer There is a fine line between sanity and insanity, and many of these serial killers would seem to be insane, but they are far from that. Sit back and examine the techniques with which some of the most depraved would use to kill their victims.

“Murderers or monsters, normal people turned bad or people born with the desire to kill, it doesn’t matter where they come from, serial killers strike dread into our hearts with a single mention of their names. Hunting in broad daylight or stalking from the shadows, we are their prey and their hunt is never done until they are caught or killed. With a worrying number of them living in our communities, working alongside us at our places of employment and sharing the same spaces where we spend time with our families, serial killers are typically just another neighbor that we barely think about. A worrying thought, to be honest.”

Historical in scope, this collection chronicles 15 of the world's most infamous "extreme killers"--those with the largest number of confirmed kills. The subjects range from 15th-century French child killer Gilles de Rais, purportedly the model for "Bluebeard," to Henry Lee Lucas and Otis Toole, who inspired the film *Henry: Portrait of a Serial Killer*, to Samuel Little, America's most prolific serial killer, to Mikhail Popkov, dubbed "The Werewolf" by Russian media for having slain more than 70 women.

In an era that produced some of the most vicious female sociopaths in American history, Jane Toppan would become the most notorious of them all. AN ANGEL OF MERCY In 1891, Jane Toppan, a proper New England matron, embarked on a profession as a private-duty nurse. Selfless and good-natured, she beguiled Boston's most prominent families. They had no idea what they were welcoming into

their homes.... A DEVIL IN DISGUISE No one knew of Jane's past: of her mother's tragic death, of her brutal upbringing in an adoptive home, of her father's insanity, or of her own suicide attempts. No one could have guessed that during her tenure at a Massachusetts hospital the amiable "Jolly Jane" was morbidly obsessed with autopsies, or that she conducted her own after-hours experiments on patients, deriving sexual satisfaction in their slow, agonizing deaths from poison. Self-schooled in the art of murder, Jane Toppan was just beginning her career -- and she would indulge in her true calling victim by victim to become the most prolific domestic fiend of the nineteenth century.

There is little more terrifying than those who hunt, stalk and snatch their prey under the cloak of darkness. These hunters search not for animals, but for the touch, taste, and empowerment of human flesh. They are cannibals, vampires and monsters, and they walk among us. These serial killers are not mythical beasts with horns and shaggy hair. They are people living among society, going about their day to day activities until nightfall. They are the Dennis Rader's, the fathers, husbands, church going members of the community. This A-Z encyclopedia of 150 serial killers is the ideal reference book. Included are the most famous true crime serial killers, like Jeffrey Dahmer, John Wayne Gacy, and Richard Ramirez, and not to mention the women who kill, such as Aileen Wuornos and Martha Rendell. There are also lesser known serial killers, covering many countries around the world, so the range is broad. Each of the serial killer files includes information on when and how they killed the victims, the background of each killer, or the suspects in some cases such as the Zodiac killer, their trials and punishments. For some there are chilling quotes by the killers themselves. The Big Book of Serial Killers is an easy to follow collection of information on the world's most heinous murderers.
