

The Miracle Morning For Real Estate Agents Its Your Time To Rise And Shine The Miracle Morning Book Series Volume 2

NATIONAL BESTSELLER • The #1 bestselling author of *On Fire* shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. “Engaging . . . O’Leary encourages us to see the world through a child’s eyes.”—Mitch Albom, author of *Tuesdays with Morrie* There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that’s far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don’t measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O’Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we’ve lost touch with as we age, O’Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. *In Awe* reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.

A refreshingly practical and honest guide that rewrites the script on ADHD Peter Shankman is a busy guy -- a media entrepreneur who runs several businesses, gives keynote speeches around the world, hosts a popular podcast, runs marathons and Iron Mans, is a licensed skydiver, dabbles in angel investing, and is loving father to his young daughter. Simply put, he always seems to have more than 24 hours in a day. How does he do it? Peter attributes his unusually high energy level and extreme productivity to his ADHD. In *Faster Than Normal*, Shankman shares his hard-won insights and daily hacks for making ADHD a secret weapon for living a full and deeply satisfying life. Both inspiring and practical, the book presents life rules, best practices, and simple but powerful ways to: Harness your creative energy to generate and execute your ideas Direct your hyperfocus to get things done Identify your pitfalls--and avoid them Streamline your daily routine to eliminate distractions Use apps and other tech innovations to free up your time and energy Filled with ingenious hacks and supportive self-care advice, this is the positive, practical book the ADHD community has long

needed - and is also an invaluable handbook for anyone who's sick of feeling overwhelmed and wants to drive their faster-than-normal brain at maximum speed...without crashing.

The bestselling author of THE MIRACLE MORNING shares the secret to unlocking your full potential - all day, every day. And THE MIRACLE EQUATION now includes a brand new bonus chapter on maximising your MIRACLE MORNING. Even after the incredible success of his book THE MIRACLE MORNING, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world's top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is The Miracle Equation, and it couldn't be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you'll create results beyond what you believe to be possible. In The Miracle Equation, you'll learn how to * Replace fear with faith * Move from resistance to acceptance * Let go of negative emotions * Turn off your stress response * Overcome your limitations to unlock your limitless potential * Develop emotional invincibility * Grow from happiness, which is fleeting, to inner peace, which is lasting And with the Miracle Equation 30-Day Challenge to guide your way, you'll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! 'The Miracle Equation isn't just a book, it's the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended' Lewis Howes, New York Times bestselling author of The School of Greatness 'You're only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read The Miracle Equation' Mel Robbins, bestselling author of The 5-Second Rule

Most salespeople use these techniques daily, yet the majority still fail to achieve the results they want. So, what is the difference between -average-

performers and the top 1% in your company or industry? Which strategies, mindsets, rituals, practices and systems do the top 1% maintain daily that got them to the top and continues to keep them there? The more you study the world's top salespeople, in any industry, the more you realize that their success is a result of who they are more than merely what they do. Thus, logic would have it that if you want to take your SALES to the next level, you must first figure out how to take your SELF to the next level (because it only happens in that order). That's exactly what this book will help you do, and faster than you ever realized is possible.

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Discover the Life-Changing Strategy of This Worldwide Bestseller in 17 Languages! UPDATED: Includes the best habit tracking apps of 2017. Lasting Change For Early Quitters, Burnouts, The Unmotivated, And Everyone Else Too When I

decided to start exercising consistently 10 years ago, this is what actually happened: I tried "getting motivated." It worked sometimes. I tried setting audacious big goals. I almost always failed them. I tried to make changes last. They didn't. Like most people who try to change and fail, I assumed that I was the problem. Then one afternoon--after another failed attempt to get motivated to exercise--I (accidentally) started my first mini habit. I initially committed to do one push-up, and it turned into a full workout. I was shocked. This "stupid idea" wasn't supposed to work. I was shocked again when my success with this strategy continued for months (and to this day). I had to consider that maybe I wasn't the problem in those 10 years of mediocre results. Maybe it was my prior strategies that were ineffective, despite being off-repeated as "the way to change" in countless books and blogs. My suspicions were correct. Is There A Scientific Explanation For This? As I sought understanding, I found a plethora of scientific studies that had answers, with nobody to interpret them correctly. Based on the science--which you'll find peppered throughout Mini Habits--we've been doing it all wrong. You can succeed without the guilt, intimidation, and repeated failure associated with such strategies as "getting motivated," New Year's Resolutions, or even "just doing it." In fact, you need to stop using those strategies if they aren't giving you great results. Most popular strategies don't work well because they require you to fight against your subconscious brain (a fight not easily won). It's only when you start playing by your brain's rules and taking your human limitations seriously--as mini habits show you how to do--that you can achieve lasting change. What's A Mini Habit? A mini habit is a very small positive behavior that you force yourself to do every day; its "too small to fail" nature makes it weightless, deceptively powerful, and a superior habit-building strategy. You will have no choice but to believe in yourself when you're always moving forward. The barrier to the first step is so low that even depressed or "stuck" people can find early success and begin to reverse their lives right away. And if you think one push-up a day is too small to matter, I've got one heck of a story for you! Aim For The First Step They say when you aim for the moon, you'll land among the stars. Well, that doesn't make sense, as the moon is closer than the stars. I digress. The message is that you should aim very high and even if you fall short, you'll still get somewhere. I've found the opposite to be true in regards to productivity and healthy behaviors. When you aim for the moon, you won't do anything because it's too far away. But when you aim for the step in front of you, you might keep going and reach the moon. I've used the Mini Habits strategy to get into the best shape of my life, read 10x more books, and write 4x as many words. It started from requiring one push-up from myself every day. How ridiculous is that? Not so ridiculous when you consider the science of the brain, habits, and willpower. The Mini Habits system works because it's how our brains are designed to change. Note: This book isn't for eliminating bad habits (some principles could be useful for breaking habits). Mini Habits is a strategy to create permanent healthy habits in: exercise, writing, reading, thinking positively, meditating, drinking water, eating healthy foods, etc. Lasting

change won't happen until you take that first step into a strategy that works. Give Mini Habits a try. You won't look back. This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song. Last Chance Texaco is the first-ever no-holds-barred account of the life of two-time Grammy Award-winner Rickie Lee Jones, in her own words. It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candour and lyricism, the 'Duchess of Coolsville' (Time) takes us on a singular journey through her nomadic childhood, to her years as a teenage runaway, through her legendary love affair with Tom Waits, and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs - 'Chuck E's in Love,' 'Weasel and the White Boys Cool,' 'Danny's All-Star Joint' and 'Easy Money' - but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, a pimp with a heart of gold, and tales of her fabled ancestors. In this electrifying and intimate memoir by one of the most remarkable, trailblazing and tenacious women in music are never-before-told stories of the girl in the raspberry beret, a singer-songwriter whose music defied categorization and inspired pop culture for decades.

Can you imagine receiving a referral each and every day? Neither could real estate agent Rick Masters. (7L) The Seven Levels of Communication tells the entertaining and educational story of Rick Masters, who is suffering from a down economy when he meets a mortgage professional who has built a successful business without advertising or personal promotion. Skeptical, he agrees to accompany her to a conference to learn more about her mysterious methods. Rick soon learns that the rewards for implementing these strategies are far greater than he had ever imagined. In seeking success, he finds significance. This heartwarming tale of Rick's trials and triumphs describes the exact strategies that helped him evolve from the Ego Era to the Generosity Generation. This book is about so much more than referrals. This is about building a business that not only feeds your family, but also feeds your soul.

ONE OF AMAZON'S BEST BUSINESS BOOKS OF 2018 SO FAR ONE OF THE FINANCIAL TIMES' BUSINESS BOOKS OF THE MONTH UPON RELEASE ONE OF BUSINESS INSIDER'S BEST BUSINESS BOOKS TO READ THIS SUMMER 'This small book carries the irresistible implicit promise that if you follow the morning routines of famous, important and successful people, you will become famous, important and successful yourself.' Financial Times How are you spending your most valuable hours? The first few choices you make each morning can unlock greater productivity, creativity, and calm - or bring out your worst self. Marie Kondo performs a quick tidying ritual to quiet her mind before leaving the house. The president of Pixar and Walt Disney Animation Studios, Ed Catmull, mixes three shots of espresso with three scoops of cocoa powder and two sweeteners. Retired U.S. Army Four-Star General Stanley McChrystal works out at 4:00 AM every day for at least an hour. Part instruction manual, part someone else's diary, My Morning Routine interviews sixty-four of today's most successful people - including Biz Stone, the co-founder of Twitter; Arianna Huffington, founder of The Huffington Post; and Michael Acton Smith, the CEO of Calm - and offers timeless advice on creating a routine of your own. Some routines are all about early-morning exercise and spartan living; others are more leisurely and self-indulgent. Whether you want to boost your productivity, implement a workout or meditation routine, or learn to roll with the punches in the morning, this book has you covered. Once you land on the right routine, you'll look forward to waking up. ----- From inside the book: 'A big part of my morning routine is about what I don't do: when I wake up, I don't start the day by looking at my phone' - ARIANNA HUFFINGTON, founder of the Huffington Post and Thrive Global 'I travel a lot for work, so my days are always different. Having a morning routine really means fitting things in around everything else' - CAMERON RUSSELL, fashion model and cultural activist 'If I don't get a chance to play with my son in the morning I feel like I missed something that I'll never get back' - BIZ STONE, cofounder of Twitter 'Find certain things you know you should do, don't like to do, or make excuses to avoid, and then do them every day' - STANLEY McCHRISTAL, retired U.S. Army four-star general ----- BENJAMIN SPALL AND MICHAEL XANDER are the founders of mymorningroutine.com. Spall has written for outlets including The Huffington Post, 99U, and The Next Web. Xander is a product designer and engineer.

The very best didn't get there by accident. The best have a different way of thinking and acting in their daily lives. And it's not enough to just to succeed - they also have an uncontrollable desire - the desire to get better. The good news for the rest of us is that success leaves tracks. Michael Heppell has spent his life studying successful people, attempting to distil what it is that the very best do that others don't. He's interviewed entrepreneurs, personalities and leaders from politics to education. He's studied the daily habits of the elite and during this time he's uncovered what they do that gives them 'The Edge'. By identifying and distilling this knowledge you'll discover how you can use this same insight. It's time to find your Edge.

The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential—now in paperback. Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in freezing temperatures.” With his New York Times–bestselling debut book, *The Wim Hof Method*, this trailblazer of human potential shared a method that anyone can use—not just extreme athletes or spiritual masters—to supercharge one’s capacity for strength, health, and happiness. Now, this popular book is available in paperback. Wim Hof has

become a modern legend for his astounding achievements, such as withstanding extreme temperatures, breaking world records, and running barefoot marathons over deserts and ice fields. In his gripping and passionate voice, Hof shares the story of how he developed his method, along with testimonials and new insights from university research studies on the method's amazing results. With guidance suited for any reader—young or old, sick or healthy—you'll learn how to harness three key elements—Cold, Breathing, and Mindset—to take charge of your own mind and metabolism. The most important result of Hof's method goes beyond improved health or performance—it is a path for reconnecting with your spiritual nature. "With these practices, you awaken to your inner source of power and fulfillment," he says. "You find you can control your destiny."
