"Dick, I need a war." Nicolas Creel is a man on a mission. He heads up the world's largest defense contractor, The Ares Corporation. Dick Pender is the man Creel retains to "perception manage" his company to even more riches by manipulating international conflicts. But Creel may have an even grander plan in mind. Shaw, a man with no first name and a truly unique past, has a different agenda. Reluctantly doing the bidding of a secret multi-national intelligence agency, he travels the globe to keep it safe and at peace. Willing to do anything to get back to the top of her profession, Katie James is a journalist who has just gotten the break of a lifetime: the chance to interview the sole survivor of a massacre that has left every nation stunned. In this terrifying, global thriller, these characters' lives will collide head-on as a series of events is set in motion that could change the world as we know it. An utterly spellbinding story that feels all too real, THE WHOLE TRUTH delivers all the twists and turns, emotional

drama, unforgettable characters, and can't-put-it-down pacing that readers expect from David Baldacci-and still goes beyond anything he's written before.

The literary genetics of Shaw's most famous play are here examined for the first time. The sources of *Saint Joan* are closely compared with the original shorthand manuscript and that is compared with its subsequent revisions. This evidence is supplemented by facts drawn from Shaw's correspondence in print, in the British Library, and in private collections, and by accounts both in print and in the correspondence of people who knew Shaw at the time of his writing *Saint Joan*. The manuscript and its revisions are examined in the light of all that has been written about the play since it first appeared in 1923. Tyson examines the events that led Shaw to write *Saint Joan*, establishes the times and places of its composition, and speculates on the "models" upon which Shaw may have based his heroine. The scene-by-scene investigation of the original manuscript accounts as far as possible for later alterations and revisions and discusses passages of critical or historical interest. The concluding chapters survey the circumstances surrounding the first production of the play in the United States, Great Britain, France, and Germany and reflect on the impact that *Saint Joan* has had on drama for more than half a century.

Mr. Chesterton says that "most people either say that they agree with Bernard Shaw or that they do not understand him. I am the only person who understands him, and I do not agree with him." This book gives the author's critical opinion of Shaw's work and also of Shaw, the man whose work is an expression of himself.

After an emergency police call from a lake house on Wisconsin's Lake Mondac, Deputy Brynn drives up to the deserted lake in search of answers. There, Brynn uncovers not only a gruesome murder, but a terrified witness to the murder, city-girl Michelle. And thus, a heart-pounding chase through the Wisconsin wilderness commences as the murderers pursue Brynn and Michelle, who must learn to trust each other if they want to survive.

All in all, Author WCY is founder of the National Reparation Reformation & Annexation movement, historian, and Social Engineer of the 21st Century. His work collaborate family history with American history, world history, current affairs, and bible history from the perspective of truth. African American Historian Dr. Jim Horton declared: "if you

tell the story of the American experience known as American history and leave out African American history then American history is incomplete." Therefore, WCY's work is a correction of American history b/c the history that the baby boomer generation learned in school was about wars, economics, and dead white men which undermined the deeds of African Americans. Although WCY is into politics, he is not a politician. He is a salesman that's selling 100 U.S. senate seats for \$177.00 each and is trying to spark the biggest real estate deal in American history since the Louisiana Purchase of 1803 that will tear down Trump's wall via annexation of North America, preserve the continuity of the American Dream and bring in Mexico, Cuba, Canada & USA territories into the union as states which means a new white suburbs on the white sandy beaches of Mexico, Guam, and Puerto Rico. After all, white people without suburbs are like fish without a sea. As a congressional informer, consumer protector, and whistle blower, WCY's reports are on record and are reported to the U.S. Senate Homeland Committee on Governmental Affairs, the U.S. House of Representatives Committee on Homeland Security and the president of the USA. In Case No. 12-01189-CV-W-REL in U.S. District Court for the Western District of Missouri according to the Federal Rules of Civil Procedure, Bill summoned the regional directors of the U.S. Census Bureau to court

to explain their methodology and how they arrived at the conclusion on the 2010 Census that the USA population was 310 million with the majority race being white, and the directors were a NO SHOW which means pursuant to Rule 12 of Fed. R. Civ. If you fail to respond, judgment by default will be entered against the defendants. Bill Young won the case by default, but U.S. Attorney General Eric Holder, II refused to pay Bill and had the case DISMISSED which resulted in Holder's forced resignation as U.S. Attorney General. Holder's suppression of the truth via having case dismissed covered up the fact that the majority USA population is Hispanic and not white which means Americans in the 21st Century have become slaves to lies, but after they read WCY's work (THE WHOLE TRUTH) then the truth shall set them free. However, to get to the hill of truth, WCY's book will navigate his readers through the valley of 200 years of lies and the 116th Congress whom are the largest group of liars that has ever been assembled together in one place in America's 244 years of American history.

venture: one that could lead to millions of deaths all over the globe. On Waller's trail is Shaw, the mysterious operative from *The Whole Truth*, who must prevent Waller from closing his latest deal. Shaw's one chance to bring him down will come in the most unlikely of places: a serene, bucolic village in Provence. But Waller's depravity and ruthlessness go deeper than Shaw knows. And now, there is someone else pursuing Waller in Provence - Reggie Champion, an agent for a secret vigilante group headquartered in a musty old English estate - and she has an agenda of her own. Hunting the same man and unaware of each other's mission, Shaw and Reggie will be caught in a deadly duel of nerve and wits. revenge, and his target this time is North's father. As North struggles to track down Ronnie and put an end to the danger, he finds himself considering a deal with the devil, and the offer might be too good to pass up. When North and Shaw find Malorie's body, evidence suggests she was murdered—and that her death is connected in some way with a truck stop halfway across the state. But as they draw closer to the truth, the danger grows. The people who killed Malorie have the Borealis detectives in their sights, and North and Shaw must race to save their own lives before the killers can strike again.
